Emails From The Edge English Edition

In house

Emails From The Edge English Edition:

Emails from the Edge Ken Haley, 2011 He s been expelled from Syria on suspicion of terrorism been dragged from the Hungarian parliament in handcuffs and interviewed the editor in chief of al Jazeera all during a remarkable two year journey by wheelchair across Eurasia Walkley Award winning journalist Ken Haley s travels take in 41 countries and in *Emails from the Edge* he portrays life in the Middle East as it really is not as the media portray it and draws an intriguing parallel with his own life With great humour and not a hint of sentimentality he lays bare his darkest times when he plunged over the precipice into madness and reveals the wanderlust that led him to the heart of the world s hot spots Few have written so well about their own descent into insanity a world at war and the beauty of travel Ken Haley is one of Australia s most widely travelled authors To date he has visited 130 countries mostly in a wheelchair He became a paraplegic in 1991 but as far as Ken is concerned the only difference this has made is that he now observes the world from a sitting position A journalist by profession his experiences include stints on the foreign desk of The Times Sunday Times and The Observer in London the Gulf Daily News in Bahrain and the Oman Daily Observer He has alworked at The Age Melbourne and as editor of The Dimboola Banner He is also the author of *Europe 2 4km h* **Email from the Edge** Timothy McGettigan, 2013-09-06 The Scholar Ship is a fascinating concept in higher education Sadly in the months following our Spring 2008 journey The Scholar Ship ceased operations A more complete and exhilarating educational vessel has never put to sea but alas operating a university on the high seas is financially riskier than asking a pirate to safeguard your piggy bank Thus as of this writing The Scholar Ship is no more Though The Scholar Ship may be gone it will never be forgotten In my opinion global educational initiatives such as The Scholar Ship represent the future of international education Thus I feel safe in believing that The Scholar Ship is not really gone it is simply experiencing a brief hiatus Perhaps I m wearing rose colored glasses but I look forward a few years down the road to the re launching of The Scholarship bigger better and more fun than ever
