Embracing His Syn:

Embracing His Syn A E Via,2019-07-29 Sergeant Corbin Syn Sydney had dedicated his life to becoming the best detective So when he heard there was an opening on the notorious Atlanta Narcotics Task Force he jumped at the chance But what he wasn't ready for was realizing just how lonely he'd made himself when he observed the loving and dedicated relationship between the two men he served under Lieutenant Cashel God Godfrey and Lieutenant Leonidis Day Syn prepared himself to accept his lonely fate until he walked into a small pub and met the long haired tattooed bartender Furious Barkley Before Syn can even understand why he's overcome with feelings he barely recognizes passion yearning craving And if the dark lustful gazes are anything to go by Furious might be feeling the same things for him Just two things need to happen before Syn and Furi can give each other what's been missing from their lives for so long Syn needs to find the evidence that proves Furi's innocence of murder as well as protect him from a past that refuses to let go God Day Ronowski and Johnson are still as entertaining as ever You'll swoon over God's massive take charge attitude You'll laugh hysterically at Day's never ending wit You'll fall in love with Furious mysterious sexy demeanor and You'll embrace Syn

attention to the incendiary issue of race Through a far reaching exploration of the long overlooked legacy of minstrelsy cross racial impersonations or racechanges throughout modern American film fiction poetry painting photography and journalism she documents the indebtedness of mainstream artists to African American culture and explores the deeply conflicted psychology of white guilt The fascinating racechanges Gubar discusses include whites posing as blacks and blacks passing for white blackface on white actors in *The Jazz Singer* *Birth of a Nation* and other movies as well as on the faces of black stage entertainers African American deployment of racechange imagery during the Harlem Renaissance including the poetry of Anne Spencer the black and white prints of Richard Bruce Nugent and the early work of Zora Neale Hurston white poets and novelists from Vachel Lindsay and Gertrude Stein to John Berryman and William Faulkner writing as if they were black white artists and writers fascinated by hypersexualized stereotypes of black men and nightmares and visions of the racechanged baby Gubar shows that unlike African Americans who often are forced to adopt white masks to gain their rights white people have chosen racial masquerades which range from mockery and mimicry to an evolving emphasis on inter racial mutuality and mutability Drawing on a stunning array of illustrations including paintings film stills computer graphics and even magazine morphings *Racechanges* sheds new light on the persistent pervasiveness of racism and exciting aesthetic possibilities for lessening the distance between blacks and whites
