Gregory Von Lee,2011-08-31 The author is a hermit A lifetime underachiever A person who learned that you make it in life by hard work smarts and chance Who understands that there are no accidents or luck in life there are only mistakes opportunities and preparation The author does not believe in marriage or relationships because he doesn t want to share 50 50 with no one He only believes in intercourse and the feelings for the moment It doesn t matter how a woman looks That s because the author is more interested in the act and the person than the physical features The author doesn t want his picture in the book because he rather be recognized for his works not his face And he wants you to know in the end where to find happiness It s not in a mate They could leave you one day It s in your babies **Do Not Leave Quietly** Mario

English Grammar Talmy Givón,1993 The approach to language and grammar that motivates this book is unabashedly functional grammar is not just a system of empty rules it is a means to an end an instrument for constructing concise coherent communication In grammar as in music good expression rides on good form Figuratively and literally grammar like musical form must make sense But for the instrument to serve its purpose it must first exist the rules must be real they can be explicitly described and taught This book is intended for both students and teachers at college level for both native and

nonnative speakers With the guidance of a teacher this book will serve as a thorough introduction to the grammar of English
