Formalism And Marxism Tony Bennett:

Formalism and Marxism Tony Bennett, 2003 **Peculiar Language** Derek Attridge, 2004-08-02 First published in 1988 Peculiar Language is now established as one of the most important discussions of the language of literature This thought provoking book challenges traditional notions of literary criticism arguing that all attempts by writers critics and literary theorists to define the language of literature have involved self contradiction Through examination of key moments in literary history Derek Attridge demonstrates that such contradictions in accounts of literary language are embedded in our cultural concept of literature and asserts that in order to appreciate the forces that determine the limits of literary language we must look beyond the realm of the literary and embrace the wider political and social sphere Re issued as a result of sustained critical interest in the book this edition includes a new preface by the author Literary Theory: The Basics Hans Bertens, 2017-07-14 This third edition of Hans Bertens bestselling book is an essential guide to the often confusing and complicated world of literary theory Exploring a broad range of topics from Marxist and feminist criticism to postmodernism and new historicism Literary Theory The Basics covers contemporary topics including reception theory and reader response theory the new criticism of postmodernism the after theory debate post humanism biopolitics and animal studies aesthetics Literary Theory The Basics helps readers to approach the many theories and debates in this field with confidence Now with updated case studies and further reading this is an essential purchase for anyone who strives to understand literary theory today **Reading Poetry** Tom Furniss, Michael Bath, 2013-08-16 Reading Poetry offers a comprehensive and accessible guide to the art of reading poetry Successive chapters introduce key skills and critical or theoretical issues enabling users to read poetry with enjoyment insight and an awareness of the implications of what they are doing This new edition includes a new chapter on Post colonial Poetry a substantial increase in the number of end of chapter interactive exercises and a comprehensive Glossary of poetic terms Not just an add on the Glossary works as a key resource for the structuring of particular topics in any individual teaching or learning programme Many of the exercises and interactive discussions develop not only the skills of competent close reading but also the necessary confidence and experience in locating historical and other contextual information through library or internet searches The aim is to enhance readers literary and scholarly competence and to make it fun *Literary Theory at Work* Douglas Tallack, 1987-01-01 PM This is a sequel to the successful I Modern Literary Theory by Jefferson and Robey Barnes Noble While the latter concentrates on expounding theory without embarking on its application Tallack and his Critical Theory group take three literary texts and show how different literary theories can be used in practice in the analysis of real texts The three texts are R In the Cage by Henry James St Mawr by D H Lawrence and Heart of Darkness by Joseph Conrad The branches of theory applied to them are Structuralism Narrative Theory and Character Theory Psychoanalytic Theory Feminism Linguistics and Reader Response Theory Deconstruction and Marxis **Literary Theory** Terry Eagleton, 2008 First published in 1983 **Fact - Fiction - "faction"** Horst Zander, 1999

What is Literature? Mark Robson, 2020-02-11 An essential guide to understanding literary theory and criticism in the European tradition What is Literature A Critical Anthology explores the most fundamental question in literary studies What is literature is the name of a problem that emerges with the idea of literature in European modernity This volume offers a cross section of modern literary theory and reflects on the history of thinking about literature as a specific form What is Literature reveals how ideas of the literary draw on the foundations of Western thought in ancient Greece and Rome charting the emergence of modern literature in the eighteenth century and including selections from the present state of the art The anthology includes the work of leading writers and critics of the last two thousand years including Plato Henry James Virginia Woolf Edward Said Gayatri Chakravorty Spivak Jacques Rancière and many others The book is an insightful examination of the nature of literature its meanings and values functions and forms provocations and mysteries What is Literature brings together in one volume influential and intriguing essays that show our enduring fascination with the idea of literature This important guide Contains a broad selection of the most significant texts on the topic of literature Includes leading writers from ancient times to the most recent thinkers on literature and criticism Encourages readers to reflect on the varied meanings of literature What is Literature A Critical Anthology is a unique collection of texts that will appeal to every student and scholar of literature and literary criticism in the European tradition *A Dictionary of Modern Critical Terms* Roger Fowler, 1987 The book differs from other dictionaries of criticism in concentrating less on time honoured rhetorical terms and more on conceptually flexible powerful and contemporary critical terms Each entry consists not simply of a dictionary definition but an essay exploring the history and full significance of the term and its possibilities in contemporary critical discourse Twentieth-Century Literary Theory K.M. Newton, 1997-09-30 A thoroughly revised edition of this successful undergraduate introduction to literary theory this text includes core pieces by leading theorists from Russian Formalists to Postmodernist and Post colonial critics An ideal teaching resource with helpful introductory notes to each chapter
