to increase the size of a church But what if our vision is upside down What if God s desire is that we focus on being a quality
church instead of simply a large church The Bible envisions the church as a spotless bride a vision of quality Today s church
seems far from God s vision of perfection but that does not change the goals God has for His flock Using Psalm 23 as a
blueprint *Becoming a Grand Champion Church* explores how Christ is shepherding His church toward maturity A gap exists
between this age s knowledge of sheep and shepherding that makes it difficult to grasp the fullness of Christ s shepherding
work in the church The author seeks to fill that gap with homespun remembrances of raising sheep to be shown at the county
fair He then ties the shepherd s duties with practical suggestions of how the whole body can work alongside the Good
Shepherd toward Christ s vision for His bride The result of following God s plan is a Grand Champion Church that reflects the
qualities of Christ to the world Summaries of Studies in Agricultural Education , 1935 *Resources in Vocational*
