Yáñez-Araque, Murad Ali, 2023-07-04 **Exploring Cultural Competence in Professional Development Schools** JoAnne Ferrara, Janice L. Nath, Ronald Beebe, 2020-06-01 This book examines the ways in which PDSs build cultural competence for various stakeholders including pre-service teachers, classroom teachers, school leaders, college faculty, and K-12 students. Given the increased national attention on the opportunity gap present in underserved, marginalized communities across the

country the authors in this series identify a combination of research based practices and institutional changes that increase student attainment and develop educators capacity to serve a range of diverse learners We are certain the timeliness of the topic will provide educators with context for understanding the role PDSs play in the creation of culturally responsive schools
