Galaxy S Edge Magazine Issue 12 January 2015:

The Rise of the Cyberzines: The Story of the Science-Fiction Magazines from 1991 to 2020 Mike Ashley, 2022-02-15

Shortlisted for the Locus Science Fiction Foundation Non Fiction Award 2023 The Rise of the Cyberzines concludes Mike Ashley's five volume series which has tracked the evolution of the science fiction magazine from its earliest days in the 1920s to its current explosion via the internet This series has traced the ways in which the science fiction magazine has reacted to the times and often led the way in breaking down barriers for example in encouraging a greater contribution by women writers and stimulating science fiction globally Magazines have continued to build upon past revolutions such as the new wave and cyberpunk producing a blend of high tech science fiction and expansive speculative fiction that has broadened the understanding of science and its impact on society This final volume which covers the years 1991-2020 shows how the online magazine has superseded the print magazine and has continued to break down barriers especially for the LGBTQ community and for writers of colour

Race and Ethnicity in English Language Teaching Christopher Joseph Jenks, 2017-08-14 This book examines racism and racialized discourses in the ELT profession in South Korea The book is informed by a number of different critical approaches to race and discourse and the discussions contained in the chapters offer one way of exploring how the ELT profession can be understood from such perspectives Observations made are based on the understanding that racism should not be viewed as individual acts of discrimination but rather as a system of social structures While the book is principally concerned with language teaching and learning in South Korea the findings are situated in a wider discussion of race and ethnicity in the global ELT profession The book makes the following argument White normativity is an ideological commitment and a form of racialized discourse that comes from the social actions of those involved in the ELT profession this normative model or ideal standard constructs a system of racial discrimination that is founded on White privilege saviorism and neoliberalism Drawing on a wide range of data sources this book is a must read for anyone interested in critically examining ELT
