**Game Over!** Bill Elliott, Vicki Verdeyen, 2002 Anyone working in corrections has been trained to handle the basics of offender management This training often fails to teach how to deal with offenders mind games The authors offer the basics of offender con games and ways to beat them at their own game Chapters include Winning the Game The Psychology of Inmate Deception Inmate Manipulation Based on a Sense of Entitlement Inmate Manipulation Based on the Power Orientation The Woman Offender Gender Based Games Games Women Offenders Play Based on Blaming or Mollification Staff Moves in Managing Inmate Deception and Manipulation Maintaining Player Readiness Ten Commandments for Prison Staff and Putting It All Together **Tackling Correctional Corruption** Andrew Goldsmith, Mark Halsey, Andrew Groves, 2016-05-23

Corruption is a problem in prisons about which we hear very little except when there is an escape from custody or other scandal that makes the media The closed nature of correctional institutions has made the activities that go on within them less visible to the outside world While some persons might be inclined to dismiss correctional corruption as an issue this view ignores the scale of criminality and misconduct that can go on in prison and the impact it can have upon not just the good order of the prison or the rights of prisoners but on the prospects for successful reintegration of ex prisoners into society This book is the first to examine the phenomenon in any detail or to suggest what might be done to reduce its incidence and the harms that can arise from it Andrew Goldsmith Mark Halsey and Andrew Groves argue that it is not enough to tackle corruption alone Rather there should be a broader attempt to promote what the authors call correctional integrity **Inside**

Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours

of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
