The subjects will be varied and may be suggested by language or by other stimuli such as pictures. The subjects will be so chosen so as to allow the candidates to draw on first-hand experience or to stimulate their imagination. With one subject a number of suggestions about the content of the composition will be given but the use of the suggestions will be optional and a candidate will be free to treat the subject in any way that he/she chooses. The organisation of subject matter, syntax, punctuation, correctness of grammatical constructions and spelling will be expected to be appropriate to the mode of treatment required by the subject. Question 2 Candidates will have to write a letter from a choice of two subjects requiring either a formal or an informal mode of treatment. Suggestions regarding the content of the letter may be given. The layout of the letter with address, introduction, conclusion etc. will form part of the assessment. Special attention must be paid to the format of the letter with emphasis on vocabulary appropriate to the context. Question 3 Candidates will be given a specific situation and will be required to a) Write the text for a notice based on given directions b) Write an e-mail on the same content as the notice.
