Chemical News, 1775 **Profiles of American Colleges with CD-ROM** Barron's Educational Series, 2006-07-01 Up to date information on enrollments, tuition and fees, academic programs, campus environment, available financial aid and much more combine to make 27th edition of Profiles of American Colleges America's most authoritative source for information on colleges and universities. College bound students, parents and high school guidance counselors will find information on more than 1,650 accredited four year colleges across the United States. A CD ROM enclosed with each copy of this comprehensive directory presents an interactive format and lets students find individual schools by entering specific criteria. In addition to the above cited information, each college profile gives details on admission requirements, library and computer facilities, athletic facilities, extracurricular activities, e-mail addresses, fax numbers, web sites and more. Schools are rated according to Barron's famous competitiveness scale from Noncompetitive to Most Competitive. The book's extra section of tinted pages presents a complete quick reference Index of College Majors listing all available major study programs at each school. Also profiled are many of the best known colleges in Canada and several other countries. **Publishers' circular and booksellers' record**, 1892

Profiles of American Colleges Northeast Barron's Educational Series, 2006-08-01 Taken directly from the brand new full size 27th edition of Barron's Profiles of American Colleges, this shorter up to date directory is designed for students who restrict their choice of schools to the northeastern United States. It presents complete profiles of
