*Shining out and Shining In* James R. Newby, 2013-10-10 It is a privilege to share through the ministry of writing this  
 remarkable life with others The life of Tom Tipton begins as a child in segregated Washington DC travels through the  
 powerful music world of jazz gospel music and the old hymns reaches into politics and the struggles and hopes of  
 desegregation explores worldwide evangelism and is still being lived out in 2013 in the Twin Cities of Minnesota It would be  
 a mistake to suppose that Tom Tiptons biography is just one more in the array of books that represent the cult of personal  
 exposure His is different in kind His message is one of encouragement to the thousands of people who are now discouraged  
 His story belongs in one sense to the literature of witness but in a far deeper sense it belongs to the literature of hope It is  
 my hope that those who read these words will have their own lives enriched in the same way that Tom Tipton has enriched so  
 many lives through his ministry of music He is an amazing man who has the gift of bringing out the best in others Prepare for  
 a spiritual experience      **How to Live Long and Like It** Jim Heckathorn, 2015-01-05 Rising Above It All Written in a time
