How Stella Got Her Groove Back By Terry Mcmillan:

How Stella Got Her Groove Back Terry McMillan, 2004-01-06 *How Stella Got Her Groove Back* is full of Terry McMillan's signature humor, heart, and insight. More than a love story, it is ultimately a novel about how a woman saves her own life and what she must risk to do it. Stella Payne is forty-two, divorced, a high-powered investment analyst, mother of eleven-year-old Quincy, and she does it all. In fact, if she doesn't do it, it doesn't get done: from Little League carpool duty to analyzing portfolios to folding the laundry and bringing home the bacon. She does it all well, too. If her chic house, personal trainer, BMW, and her loving son are any indication, so what if there's been no one to share her bed with lately? Let alone rock her world. Stella doesn't mind it too much; she probably wouldn't have the energy for love and all of love's nasty fallout anyway. But when Stella takes a spur-of-the-moment vacation to Jamaica, her world gets rocked to the core, not just by the relaxing effects of the sun and sea and an island full of attractive men, but by one man in particular. He's tall, lean, soft-spoken, Jamaican, smells of citrus and the ocean, and is half her age. The tropics have cast their spell, and Stella soon realizes she has come to a cataclysmic juncture: not only must she confront her hopes and fears about love, she must question all of her expectations, passions, and ideas about life and the way she has lived it. **Jet**, 1998-08-17 The weekly source of African American political and entertainment news. *How Stella Got Her Groove Back*, 2007 *Reel Views 2* James Berardinelli, 2005 Thoroughly revised and updated for 2005. Includes a new chapter on the best special edition DVDs and a new chapter on finding hidden easter egg features. **Black Professional Women in Recent American Fiction** Carmen Rose Marshall, 2015-01-24 The last three decades of the 20th century have marked the triumph of many black professional women against great odds in the workplace. Despite their success, few novels celebrate their accomplishments. Black middle-class professional women want to see themselves realistically portrayed by protagonists who work to achieve significant productivity and visibility in their careers, desire stability in their personal lives, aspire to accrue wealth, and live elegantly, though not consumptively. The author contends that most recent American realistic fiction fails to represent black professional women, protagonists performing their work effectively in the workplace. Identifying the extent to which contemporary novels satisfy the readerly desires of black middle-class women readers, this book investigates why the readership wants the texts as well as what they prefer in the books they buy. It also examines the technical and cultural factors that contribute to the lack of books with self-empowered black professional female protagonists and considers *The Salt Eaters* by Toni Cade Bambara and *Waiting to Exhale* by Terry McMillan, two novels that function as significant markers in the development of contemporary black women writers' texts. [The Pursuit of Happiness](#) Bianca C. Williams, 2018-02-08 In *The Pursuit of Happiness*, Bianca C. Williams traces the experiences of African American women as they travel to Jamaica, where they address the perils and disappointments of American racism by looking for intimacy, happiness, and a connection to their racial identities. Through their encounters with Jamaican online communities and their participation in trips organized by Girlfriend Tours,

International the women construct notions of racial sexual and emotional belonging by forming relationships with Jamaican men and other girlfriends These relationships allow the women to exercise agency and find happiness in ways that resist the damaging intersections of racism and patriarchy in the United States However while the women require a spiritual and virtual connection to Jamaica in order to live happily in the United States their notion of happiness relies on travel which requires leveraging their national privilege as American citizens Williams s theorization of emotional transnationalism and the construction of affect across diasporic distance attends to the connections between race gender and affect while highlighting how affective relationships mark nationalized and gendered power differentials within the African diaspora

Disappearing Acts Terry McMillan,2004-01-06 From 1 New York Times bestselling author Terry McMillan comes an honest look at a modern romance from love at first sight to painful reality to working toward a happy ending Franklin Swift was a sometimes employed construction worker and a not quite divorced dad of two Zora Banks was a teacher singer and songwriter They met in a Brooklyn brownstone and there could be no walking away In this funny gritty love story Franklin and Zora join the ranks of fiction s most compelling couples as they move from Scrabble to sex from layoffs to the limits of faith and trust *Disappearing Acts* is about the mystery of desire and the burdens of the past It s about respect what it can and can t survive And it s about the safe and secret places that only love can find **Jet** ,1998-08-17 The weekly source of African American political and entertainment news *Angela Bassett* Dawn Fitzgerald,2002 It would take a long time for Hollywood to recognize veteran Angela Bassett as a superb actor not until she received an Academy award nomination in 1994 for her dead on portrayal of pop star Tina Turner in *What s Love Got to Do with it* **Black Feminist Thought, 30th Anniversary Edition** Patricia Hill Collins,2022-05-16 In the first major update to this classic book in many years Collins traces the history and contours of Black women s ideas and actions to argue that Black feminist thought is the discourse that fosters Black women s survival persistence and success against the odds Through meticulous research that synthesizes the important intellectual work done by Black women Collins s timely update demonstrates that Black women s ideas and actions are not marginal concerns but rather are central to the future of social justice within democratic societies The combination of the text s classic arguments and a preface and epilogue written expressly for this edition speak to people who have long been working on social justice and to a new generation of readers who are encountering the ideas and actions of Black women for the first time For this 30th year anniversary edition Patricia Hill Collins examines how the ideas in this classic text speak to contemporary social issues and identifies the directions needed for the future of Black feminist thought **Critical Appropriations** Simone C. Drake,2014-05-12 From the novels of Toni Morrison to the music of Beyonc Knowles the cultural prevalence of a transnational black identity as created by African American women is more than a product of geographic mobility Rather as author Simone C Drake shows these constructions illuminate our understanding of a chronically marginalized demographic In *Critical Appropriations* Drake contends that these fluid and hetero geneous characterizations of

black females arise from multiple creative outlets literature film and music videos and reflect African American women's evolving concept of home community gender and family Through a close examination of Toni Morrison's Paradise Danzy Senna's *Caucasia* Gayl Jones's *Corregidora* Erna Brodber's *Louisiana* and Kasi Lemmons's film *Eve's Bayou* as well as Beyoncé Knowles's *B Day* album and music video collaboration with Shakira *Beautiful Liar* Drake reveals how concepts of hybridity whether positioned as *cr olit Candombl n gritude Latinidad* or *Brasilidade* are appropriated in each work of art as a way of challenging the homogeneous paradigm of black cultural studies This redefined notion of identity enables African American women to embrace a more complex transnational blackness that is not only more liberating but also more pertinent to their experiences Drawing from this borderless exchange of ideas and a richer concept of self *Critical Appropriations* offers a rewarding reconsideration of the creative implications for African American women mapping new directions in black women's studies
