[The Secrets to Successfully Marketing Your Book](#) Susan Page,2012-06 Are you excited that you finished your manuscript Are you ready to

publish your book Are you ready to watch your book fly off the book shelves Think Again Without an effort to market your book no one will know it exists and the ugly truth is that marketing is your job not your publisher s job Once you finish your book the work just begins Whether a traditional publishing house publishes your book or you publish your own book all authors are equal once a book is in the marketplace unless of course you are the President of the United States If you think marketing sounds difficult like a job for a publicist think again In The Secrets to Successfully Marketing Your Book you will learn how to use social media and traditional methods to reach potential buyers As a published author with the American Management Association Susan Page learned the hard way how to build awareness for her product Two years after her first book was published it continues to sell well Along with an engaging and user friendly approach to marketing The Secrets to Successfully Marketing Your Book presents a plan that outlines the monthly tasks you have to accomplish starting six months prior to publication and continuing until after publication You could buy a book on social networking another book on building a web site and another book on developing a marketing plan but The Secrets to Successfully Marketing Your Book blends all these topics together in one organized marketing plan Susan Page outlines what you have to do to keep your book selling And she writes it in the same pragmatic approach as she took with The Power of Business Process Improvement She goes right to the information authors want and shares the secrets by explaining the how and not just the what you have to do So save your money on a publicist You have the power to market your book Your success depends on you **Church**

Websites Chris Cree,2020-03-01 Church leaders today are far too busy to waste precious time and money on ineffective websites and fruitless online activity Church Websites is a book for those ministers which explains how things work in the online world in simple language This book explains the why behind the various online activities so ministers can focus their resources on the right things for maximum effectiveness It doesn t matter that you are doing things right if you aren t doing the right things Once you know the right things to do figuring out how to do those things right is much easier Church Websites will help you know the right things The tools change But the principles stay consistent Specific techniques come and go But the general strategies that work are still the same as they have always been When it comes to building an audience online the same overarching principles are true now that were true when I wrote my first blog post back in 2005 This book lays out a proven strategy for your church or ministry to reach more people online through both your website and social media based on my first hand experience working with a wide variety of clients for more than a decade My first freelance client was a parachurch ministry Over the years I ve worked with everything from small churches up through large corporate clients and major universities Not only do these concepts work for all of those types of organizations but they are also exactly how we continue to reach more people with our own international ministry Church Websites will help you be more successful by showing you the important stuff to focus on so you don t waste a lot of time [Building a WordPress Blog People Want to Read](#) Scott McNulty,2010-12-03 Having your own blog isn t just for the nerdy anymore Today it seems

everyone from multinational corporations to a neighbor up the street has a blog They all have one in part because the folks at WordPress make it easy to have one But to actually build a good blog to create a blog people want to read takes thought planning and some effort From picking a theme and using tags to choosing widgets and building a community creating your blog really starts after you've set it up In *Building a WordPress Blog People Want to Read* by blogger extraordinaire Scott McNulty you'll learn how to Install and get your WordPress site running Set up your site to ensure it can easily grow with you and your readers Be the master of user accounts Manage your site with the WordPress Dashboard and extend its capabilities with plug-ins Make the most of images Work with pages templates and links and of course publish your posts Use custom post types and taxonomies to bend WordPress to your will Deal with comments if you even want readers commenting at all Find a theme and make it your own
