

The background of the book cover is a solid red color. Overlaid on this background are several technical illustrations in a dark, brownish-red line-art style. In the upper left, there is a schematic diagram of an electrical control system with various components and connecting lines. To the right of this, and extending towards the top right, is a detailed drawing of an industrial structure, possibly a distillation column or a complex piping system with multiple levels and platforms. In the lower center, there is a large, detailed illustration of a mechanical component, which appears to be a large industrial valve or a section of a turbine or pump assembly. At the very bottom of the cover, there is a small, stylized illustration of a row of evergreen trees.
