Clearinghouse Review ,1988-05 **Ford Motor Credit Company V. Sperry** ,2004 The Unpublished Opinions of the Rehnquist Court the late Bernard Schwartz,1996-01-04 In the last twenty years the veil of secrecy surrounding the workings of the United States Supreme Court has been lifted Justice Thurgood Marshall s controversial decision to make his papers available to the public ushered in a new era of openness about the operation of the Court but not without criticism from Chief Justice William H Rehnquist The Unpublished Opinions of the Rehnquist Court provides a behind the scenes look at the Supreme Court showing how changes between the drafts and the Justices final opinions have created substantial differences in the outcome of the Court s decisions As with his two previous works The Unpublished Opinions of the Warren Court and the Unpublished Opinions of the Burger Court author Bernard Schwartz uses private court papers to follow these decisions and explore the key role and responsibility of the Chief Justice Among the ten cases examined by Schwartz are key abortion cases Hodgson v Minnesota and Webster v Reproductive Health Services the original draft of which would have virtually overruled Roe v Wade as well as a civil rights case Patterson v McLean Credit Union Schwartz considers the draft opinions and explains why the drafts were not issued as the final opinions and dissents in these cases In particular he shows what would have happened if the draft opinions had come down as the final opinions The Unpublished Opinions of the Rehnquist Court serves to clarify and explore the actual operation of the judicial decision making process It will be fascinating and informative reading for attorneys judges law students politicians and anyone interested in the mechanics of the nation s highest Court **Kobs V. Arrow Service Bureau, Inc** ,1997 California. Court of Appeal (1st Appellate District). Records and Briefs California (State)., California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., Federal Certification Authority Liability and Policy Michael S. Baum,1994 *Self-Help, Private Debt Collection and the Concomitant Risks* Cătălin Gabriel Stănescu,2015-08-25 The book shows that self help in commercial law is a fast inexpensive and efficient alternative to court enforcement Self help remedies and private debt collection are largely but not exclusively features of common law jurisdictions since remnants of private enforcement can still be found in contract law in civilian systems The book argues that despite their usefulness self help and private debt collection entail significant risks especially for consumer debtors This means that private enforcement needs to be accompanied by the introduction of tailor made consumer debtor protection regulation Specific attention is given to factoring which functions in many instances as a form of pseudo private debt collection and which has been exploited to bypass sector specific consumer protection regulations *Florida Advance Sheet May 2012* , **California.
