Four Blood Moons Something Is About To Change:

Four Blood Moons John Hagee, 2025-05-01 There will be signs in the sun in the moon and in the stars Now when these things begin to happen look up and lift up your heads because your redemption draws near Luke 21 25a 28 It is rare that Scripture science and history align with each other yet the last three series of Four Blood Moons have done exactly that Are these the signs that God refers to in His Word If they are what do they mean What is their prophetic significance **Four Blood Moons Companion Study Guide and Journal** John Hagee, 2025-05-01 Over the last 500 years blood red moons have fallen on the first day of Passover three separate times These occurrences were connected to some of the most significant days in Jewish history 1492 the final year of the Spanish Inquisition when Jews were expelled from Spain 1948 statehood for Israel and the War of Independence and 1967 the Six Day War The next series of four blood moons occurs at Passover and Sukkot in 2014 and 2015 In this devotional study guide Pastor Hagee challenges readers to further explore the meaning behind blood moons understand why Christians must recognize these signs that God refers to in Scripture and absorb their prophetic significance Ideal for individuals and groups this devotional study guide combines questions and reflective journaling for deeper meaning and life application *The Armageddon Code* Billy Hallowell, 2016 What does the Bible really predict will happen and when But how much of what we read in today's headlines and best selling books is true Why are there so many different viewpoints among Christians and are any of them right Blood Moons Rising Mark Hitchcock, 2014-03-21 Has the final countdown to the end days begun Are the heavens telling us we are nearing the end Astronomers have noticed it is coming Historians have noted its significance In 2014 and 2015 there will be a phenomenon in the skies of four blood moons falling during Jewish feasts This has only happened three times in recorded history 1493 94 1949 50 and 1967 68 Each time these dates have had extraordinary significance for the Israelites From the discovery of the New World to the creation of modern day Israel these years of the four blood moons have truly been turning points in history Bible prophecy describes the moon being darkened and turned to blood What is the significance of these signs in the skies What will the future bring Prophecy expert Mark Hitchcock guides you through the relevant Bible passages so you can understand the times in which you live *Four Blood Moons: a Digest and Review of John Hagee's Book* Reader's Companions, 2015-11-12 **Four Blood Moons** by John Hagee Digest Review The theories of how the world ends are incessant If you want to strike fear into the heart of someone tell him or her that the world is coming to an end with the much awaited fourth blood moon around 8 pm on September 27 2015 You will hear the word Docudrama thrown around whenever you look up information on John C Hagee's book **Four Blood Moons Something is About to Change** In his book he talks about the devastating idea that solar eclipses are predictive signs that judgment day is upon us With this digest companion you'll enjoy A digest of the **Four Blood Moons** Content for your book club or other group event Stories beyond the digest and tidbits you may not know The book's impact and its importance to read And more What other readers are saying You can read it before

Hesselgrave,2019-09-17 The Lord s Supper or Eucharist has often been a subject of intense debate in the church What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus Last Supper with his disciples which was a Passover or Passover like meal Moreover the Last Supper connects back to various meals in Jesus earthly ministry And it looks forward to the great messianic banquet as fulfillment of Jewish expectations In exploring these connections this book focuses on the three motifs of new creation hospitality and hope in Christ Most significantly when we break the bread and drink the wine or juice together we are asserting the reality of the new creation in Christ affirming God s grace forgiveness and cruciform love which is to be embodied in the Christian community and anticipating the day when God s present and ongoing work of restoration justice and reconciliation will ultimately prevail The Supper then is basically a condensed summary of the story of God s plan of redemption Hesselgrave brings together biblical theological ethical and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is

the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Rethinking the End of the World B. L. Cooper, 2015-06-01 Since the day Jesus ascended into heaven the church has eagerly awaited his second coming And during the intervening years too many Christians have focused their study of the Bible entirely on discovering the end time signs of his coming Does Jesus expect us to focus on dates and signs or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration Many of today s Christians lack a basic understanding of apocalyptic spirituality or do not understand God s mission through the church Consequently they fail to see and appropriate the rich truths that can be learned and applied to their lives today Yes Revelation is a book for today This book begins by explaining how the historic misinterpretation of end time Biblical literature has distracted Christians from their true spiritual development and mission It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end time teachings Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return Three Heavens John Hagee, 2015-05-12 As sales of Hagee s current New York Times bestseller Four Blood Moons continue to soar hundreds of thousands of readers have had their thirst whetted to know what is to come at the end of this world heaven itself Hagee s national media power assures another mega bestseller

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
