Government Report On Code Pink:

Political Groups, Parties, and Organizations That Shaped America Scott H. Ainsworth Ph.D., Brian M. Harward, 2019-07-19 This three volume set explores the multiple roles that parties and interest groups have played in American politics from the nation's beginnings to the present This set serves as an essential resource for analyzing the emergence and impact of parties and interest groups in the American political system and for understanding the systematic and structural bases for interest group and party behavior Volume One opens with an introduction by the editors that provides a general overview of the eras and identifies important themes and events laying a foundation on which the subsequent essays and primary documents for each interest group or political party builds Narrative essays focus on how specific parties or interest groups have shaped or reflect a particular set of events or general themes in each of the eras in American political history Topical entries reflect key themes developed throughout the volumes Entries range from important founding groups and parties to contemporary political action committees and policy advocacy groups The set also includes primary source documents e g letters platform documents court decisions flyers etc that reveal important dimensions of the corresponding group's political influence

Right Across the World John Feffer, 2021-09-20 John Feffer is our 21st century Jack London Mike Davis In a post Trump world the right is still very much in power Significantly more than half the world's population currently lives under some form of right wing populist or authoritarian rule Today's autocrats are at first glance a diverse band of brothers But religious economic social and environmental differences aside there is one thing that unites them their hatred of the liberal globalised world This unity is their strength and through control of government civil society and the digital world they are working together across borders to stamp out the left In comparison the liberal left commands only a few disconnected islands Iceland Mexico New Zealand South Korea Spain and Uruguay So far they have been on the defensive campaigning on local issues in their own countries This narrow focus underestimates the resilience and global connectivity of the right In this book John Feffer speaks to the world's leading activists to show how international leftist campaigns must come together if they are to combat the rising tide of the right A global Green New Deal progressive trans European movements grassroots campaigning on international issues with new and improved language and storytelling are all needed if we are to pull the planet back from the edge of catastrophe This book is both a warning and an inspiration to activists terrified by the strengthening wall of far right power

The Defiant Dawson Barrett, 2018-05-08 In the tradition of Howard Zinn's A People's History of the United States an engaging account of the last half century of political discontent The history of the United States is a history of oppression and inequality as well as raucous opposition to the status quo It is a history of slavery and child labor but also the protest movements that helped end those institutions Protesters have been the driving force of American democracy from the expansion of voting rights and the end of segregation laws to minimum wage standards and marriage equality In this exceptional new book Dawson Barrett calls our attention to the post 1960s period in

which US economic cultural and political elites turned the tide against the protest movement gains of the previous forty years and reshaped the ability of activists to influence the political process For much of the last half century policymakers in both major US political parties have been guided by the pro business tenets of neoliberalism Dubbed casino capitalism by its critics this economy has ravaged the environment expanded the for profit war and prison industries and built a global assembly line rooted in sweatshop labor while more than doubling the share of American wealth and income held by the country s richest 1 percent The Defiant explores the major policy shifts of this new Gilded Age through the lens of dissent through the picket lines protest marches and sit ins that greeted them at every turn Barrett documents these clashes at neoliberalism s many points of impact moving from the Arizona wilderness to Florida tomato fields to punk rock clubs in New York and California and beyond He takes readers right up to the present day with an epilogue tracing the Trump administration s strategies and policy proposals and the myriad protests they have sparked Capturing a wide range of protest movements in action from environmentalists tree sits to Iraq War peace marches to Occupy Wall Street BlackLivesMatter and more The Defiant is a gripping analysis of the profound struggles of our times

The Routledge Handbook of Pacifism and Nonviolence Andrew Fiala, 2018-02-02 Interest in pacifism an idea with a long history in philosophical thought and in several religious traditions is growing The Routledge Handbook of Pacifism and Nonviolence is the first comprehensive reference designed to introduce newcomers and researchers to the many varieties of pacifism and nonviolence to their history and philosophy and to pacifism s most serious critiques The volume offers 32 brand new chapters from the world s leading experts across a diverse range of fields who together provide a broad discussion of pacifism and nonviolence in connection with virtue ethics capital punishment animal ethics ecology queer theory and feminism among other areas This Handbook is divided into four sections 1 Historical and Tradition Specific Considerations 2 Conceptual and Moral Considerations 3 Social and Political Considerations and 4 Applications It concludes with an Afterword by James Lawson one of the icons of the nonviolent American Civil Rights movement The text will be invaluable to scholars and students as well as to activists and general readers interested in peace nonviolence and critical perspectives on war and violence

Feminism and International Relations J. Ann Tickner, Laura Sjoberg, 2013-07-03 Feminist International Relations scholarship in the United States recently celebrated its 20th anniversary Over those years feminist researchers have made substantial progress concerning the question of how gender matters in global politics global economics and global culture The progress has been noted both in the academic field of international relations and increasingly in the policy world Celebrating these achievements this book constructs conversations about the history present state of and future of feminist International Relations as a field across subfields of IR continents and generations of scholars Providing an overview and assessment of what it means to gender IR in the 21st century the volume has a unique format it features a series of intellectual conversations presenting cutting edge research in the field with provocative comments from senior scholars It

examines issues including global governance the United Nations war peace security science beauty and human rights and addresses key questions including What does viewing the diverse problems of global politics through gendered lenses look like in the 21st Century How do feminisms accommodate differences in culture race and religion How do feminist theoretical and policy analyses fit together These conversations about feminist IR are accessible to non specialist audiences and will be of interest to students and scholars of Gender Studies Feminist Politics and International Relations *Research Handbook on International Migration and Digital Technology* McAuliffe, Marie, 2021-12-07 This forward looking Research Handbook showcases cutting edge research on the relationship between international migration and digital technology It sheds new light on the interlinkages between digitalisation and migration patterns and processes globally capturing the latest research technologies and data sources Featuring international migration in all facets from the migration of tech sector specialists through to refugee displacement leading contributors offer strategic insights into the future of migration and mobility

Boundary Objects and Beyond Geoffrey C. Bowker, Stefan Timmermans, Adele E. Clarke, Ellen Balka, 2016-02-26 The multifaceted work of the late Susan Leigh Star is explored through a selection of her writings and essays by friends and colleagues Susan Leigh Star 1954 2010 was one of the most influential science studies scholars of the last several decades In her work Star highlighted the messy practices of discovering science asking hard questions about the marginalizing as well as the liberating powers of science and technology In the landmark work *Sorting Things Out* Star and Geoffrey Bowker revealed the social and ethical histories that are deeply embedded in classification systems Star's most celebrated concept was the notion of boundary objects representational forms things or theories that can be shared between different communities with each holding its own understanding of the representation Unfortunately Leigh was unable to complete a work on the poetics of infrastructure that further developed the full range of her work This volume collects articles by Star that set out some of her thinking on boundary objects marginality and infrastructure together with essays by friends and colleagues from a range of disciplines from philosophy of science to organization science that testify to the wide ranging influence of Star's work Contributors Ellen Balka Eevi E Beck Dick Boland Geoffrey C Bowker Janet Ceja Alcal Adele E Clarke Les Gasser James R Griesemer Gail Hornstein John Leslie King Cheris Kramarae Maria Puig de la Bellacasa Karen Ruhleder Kjeld Schmidt Brian Cantwell Smith Susan Leigh Star Anselm L Strauss Jane Summerton Stefan Timmermans Helen Verran Nina Wakeford Jutta Weber Slee's Health Care Terms Vergil N. Slee, Debora A. Slee, Herbert Joachim Schmidt, 2001 Includes terms from health care administration public health epidemiology government regulation ethics patient empowerment finance reimbursement medical staff organization clinical medicine nursing science research technology law legislation and healthy communities movement *Gender Matters in Global Politics* Laura J. Shepherd, 2010-01-21 *Gender Matters in Global Politics* is a comprehensive textbook for advanced undergraduates studying feminism international relations gender and global politics and similar courses It provides students with an accessible but in depth account of the

most significant theories methodologies debates and issues This textbook is written by an international line up of established and emerging scholars from a range of theoretical perspectives providing students with provocative and cutting edge insights into the study and practices of how gender matters in global politics Key features and benefits of the book Introduces students to the wide variety of feminist and gender theory and explains the relevance to contemporary global politics Explains the insights of feminist theory for a range of other disciplines including international relations international political economy and security studies Addresses a large number of key contemporary issues such as human rights trafficking rape as a tool of war peacekeeping and state building terrorism and environmental politics Features extensive pedagogy to facilitate learning seminar exercises text boxes photographs suggestions for further reading web resources and a glossary of key terms In this innovative and groundbreaking textbook gender is represented as a noun a verb and a logic allowing both students and lecturers to develop a sophisticated understanding of the crucial role that gender plays in the theories policies and practices of global politics

Politics of the Administrative Process Donald F. Kettl, 2016-12-16 Politics of the Administrative Process shows how efficient public administration requires a delicate balance the bureaucracy must be powerful enough to be effective but also accountable to elected officials and citizens Author Don Kettl gives students a realistic relevant and well researched view of the field in this reader friendly best seller With its engaging vignettes rich examples and a unique focus on policymaking and politics the Seventh Edition continues its strong emphasis on politics accountability and performance This new edition has been thoroughly updated with new scholarship data events and case studies giving students multiple opportunities to apply ideas and analysis as they read

Globalization and Feminist Activism Mary E. Hawkesworth, 2018-06-15 This thoroughly updated edition provides a comprehensive overview of two centuries of transnational feminist efforts to produce a more just global order Mary Hawkesworth explores how social economic and political inequalities between men and women of different races classes ethnicities and nationalities have been transformed over two centuries of globalization Drawing on historical and contemporary examples she demonstrates how women have forged international networks and alliances to address specific women's issues beyond the borders of the nation state crafting policies to mitigate pressing abuses and devising alternatives to liberal and neo liberal agendas The book considers innovative feminist tactics to produce global change carefully tracing the structural forces that constrain transnational feminist activism Hawkesworth illuminates the complexity of feminist strategies to influence international agencies and foundations national governments and transnational NGOs By providing critical new insights into the gendered nature of the global system and the gendered dynamics of international institutions and nation states this work will be invaluable for all those engaged in the interdisciplinary fields of globalization studies and feminist studies

The Contemporary US Peace Movement Laura Toussaint, 2008-11-04 As peace activists have faced increased government repression and accusations of being unpatriotic since 9 11 Toussaint examines how current attempts to control dissent

impact the peace movement This study offers an analysis of self identified peace activists in terms of their demographic characteristics motivation for activism political opportunities and views of the peace movement It also discusses the processes involved in successfully mobilizing an increasingly diverse constituency and how broad based support can be sustained beyond reacting to crises [Enter the Drones](#) Bill Carey,2016-07-28 How unmanned aerial vehicles proven in war were introduced in the US for peaceful purposes A narrative history covering the FAA s early experiences with UAVs to the present day While drones have become controversial recently US federal agencies have used them since the 1990s **Boots on the Ground by Dusk** Mary Tillman,Narda Zacchino,2008-04-29 On April 22 2004 Lieutenant David Uthlaut received orders from Khost Afghanistan that his platoon was to leave the town of Magarah and have boots on the ground before dark in Manah a small village on the border of Pakistan It was an order the young lieutenant protested vehemently but the commanders at the Tactical Command Center disregarded his objections Uthlaut split his platoon into two serials with serial one traveling northwest to Manah and serial two towing a broken Humvee north toward the Khost highway By nightfall Uthlaut and his radio operator were seriously wounded and an Afghan militia soldier and a U S soldier were dead The American soldier was Pat Tillman The Tillman family was originally informed that Pat who had given up a professional football career to serve his country had been shot in the head while getting out of a vehicle At his memorial service twelve days later they were told that he was killed while running up a hill in pursuit of the enemy He was awarded a Silver Star for his courageous actions A month and two days after his death the family learned that Pat had been shot three times in the head by his own troops in a friendly fire incident Seven months after Pat s death the Tillmans requested an investigation Boots on the Ground by Dusk is a chronicle of their efforts to ascertain the true circumstances of Pat s death and the reasons why the Army gave the family and the public a false story Woven into the account are valuable and respectful memories of Pat Tillman as a son brother husband friend and teammate in the hope that the reader will better comprehend what is really lost when our sons and daughters are killed or maimed in war In the course of three and a half years there have been six investigations several inquiries and two Congressional hearings The Tillmans are still awaiting an outcome *A Practice of Ethics for Global Politics* Jack L. Amoureux,2015-10-05 What kind of ethics in world politics is possible if there is no foundation for moral knowledge or global reality is at least complex and contingent Furthermore how can an ethics grapple with difference a persistent and confounding feature for global politics This book responds to the call for a bold and creative approach to ethics that avoids assuming or aspiring to universality and instead prioritizes difference complexity and uncertainty by turning to reflexivity not as method or methodology but as a practice of ethics for politics This practice ethical reflexivity offers individuals organizations and communities tools to recognize interrogate and potentially change the stories they tell about politics about constraints notions of responsibility and visions of desirability The benefits and limits of ethical reflexivity are investigated by the author who engages writing on critique rhetoric affect and relationality and carefully

considers dominant and alternative framings of difficult issues in International Relations IR the 1994 genocide in Rwanda and the US policies of enhanced interrogation and drone strikes This path breaking study provokes new possibilities for agency and action and contributes to a growing literature in IR on reflexivity by uniquely elaborating its promise as an ethics for politics and by drawing on thinkers less utilized in discussions of reflexivity such as Hannah Arendt Michel Foucault and Aristotle This book will appeal to scholars and upper level graduates in several sub fields of IR including international global ethics IR theory global governance international organizations non governmental organizations foreign policy analysis and US foreign policy

Sheehy's Manual of Emergency Care Emergency Nurses Association,2012-02-01 NEW 2 column format features new Tricks of the Trade boxes to give you a professional s perspective on common issues in emergency nursing NEW Fully revised content from the ENA and a broad panel of expert contributors includes up to date practical information on topics such as critical care in the ED time management the morbidly obese patient electronic medical records disaster nursing forensic nursing and workplace violence

Violent Subjects and Rhetorical Cartography in the Age of the Terror Wars Heather Ashley Hayes,2016-05-25 This work examines violence in the age of the terror wars with an eye toward the technologies of governance that create facilitate and circulate that violence In performing a rhetorical cartography that explores the rise of the US armed drone program as well as moments of resistive violence that occurred during the Arab Spring directed at generating a counter hegemony by Muslim populations the author argues that the problem of the global terror wars is best addressed by a rhetorical understanding of the ways that governments as well as individual subjects turn to violence as a response to or product of the post September 11th terror society When political examinations of terrorism are facilitated through understandings of discourse clearer maps emerge of how violence functions to offer mechanisms by which governing bodies and their subjects evaluate the success or failure of the War on Terror This book will be of interest to public policymakers and informed general readers as well as students and scholars in the fields of rhetoric political theory critical geography US foreign relations policy war and peace studies and cultural studies

Drones and the Future of Armed Conflict David Cortright,Rachel Fairhurst,Kristen Wall,2015-06-10 During the past decade armed drones have entered the American military arsenal as a core tactic for countering terrorism When coupled with access to reliable information they make it possible to deploy lethal force accurately across borders while keeping one s own soldiers out of harm s way The potential to direct force with great precision also offers the possibility of reducing harm to civilians At the same time because drones eliminate some of the traditional constraints on the use of force like the need to gain political support for full mobilization they lower the threshold for launching military strikes The development of drone use capacity across dozens of countries increases the need for global standards on the use of these weapons to assure that their deployment is strategically wise and ethically and legally sound Presenting a robust conversation among leading scholars in the areas of international legal standards counterterrorism strategy humanitarian law and the ethics of force

Drones and the Future of Armed Conflict takes account of current American drone campaigns and the developing legal ethical and strategic implications of this new way of warfare Among the contributions to this volume are a thorough examination of the American government s legal justifications for the targeting of enemies using drones an analysis of American drone campaigns notable successes and failures and a discussion of the linked issues of human rights freedom of information and government accountability

Terrorism and Violent Conflict Lori Poloni-Staudinger,Candice D.

Ortbals,2014-07-08 This book explores how gender intersects with political violence and particularly terrorism We ask how gender relations and understandings of femininity and masculinity influence political violence which includes politics related to terrorism state terrorism and genocide We investigate how women cope with and influence the politics of terrorism and genocide The book s goals are descriptive and analytical We 1 describe in what ways women are present and or perceived as absent in political contexts involving violence and 2 analyze what gender assumptions identities and frames women face and themselves express and act upon regarding political violence encountered in their lives The manuscript is divided into seven chapters introduction women as victims survivors of violence women as perpetrators of violence women in social movements responding to violence women politicians leading policy regarding violence the public opinion of women and men concerning violence and a conclusion Each chapter explores the intersection between gender and terrorism through the lens of the chapter focus

A Journey, a Reckoning, and a Miracle K. J. Fraser,2009-05-16 Set in America after 2008 A Journey a

Reckoning and a Miracle follows the stories of Lucy a seventeen year old Rapture believer who travels on a pilgrimage to honor the dead but finds the living George a former leader who through suffering finally acknowledges his tragic mistakes and begins atonement and Judith a severely wounded Iraq War vet who recovers her identity voice and sense of humor with the help of her loved ones
