

GOVT 2305 - Outline of All the Slides for Exam Two

This outline does NOT include anything that the professor verbally said during the lectures. It only contains the bullet-points on the slides. Therefore, it is CRITICAL that you also listen to the lectures so that you can get all the testable content.

If you like, you can use this document to help you take extra notes while you listen to my lectures. I recommend typing the extra notes in a different color font so you can easily tell the difference between what was verbally said and what was in the bullet-points on the slides.
