|-----|------------------------------------------------------------------------------------------------------------------------------|
| 1.  | Quickly scan through your entire paper.                                                                                      |
| 2.  | Read the question twice before you begin.                                                                                    |
| 3.  | Make sure to answer ALL questions.                                                                                           |
| 4.  | Write neatly and legibly.                                                                                                    |
| 5.  | If you struggle too much with a question, move on to the next one and return once you have answered all the other questions. |
| 6.  | If the question calls for a longer answer, plan before you start writing.                                                    |
| 7.  | For any answer longer than 1-2 words, always write in full sentences.                                                        |
| 8.  | Make sure every point you make refers to the central question.                                                               |
| 9.  | Use correct grammar, spelling, and punctuation to the best of your ability.                                                  |
| 10. | If you make a mistake, cross it out clearly with a single, horizontal line and write the correct answer instead.             |
| 11. | Number the answers correctly according to the numbering system used in this question paper.                                  |
| 12. | Present your answers according to the instructions for each question.                                                        |

Good luck with your exam!
