

An Extraordinary Trip to the Arctic!

Your class has been selected to visit the Arctic where it is very, very cold! In the Arctic, you will not be sleeping in a bed, or in a room, or in a home - you will be sleeping in a real life igloo! You will also build fires, fish for food, cook, feed the seals, hike, and much more.

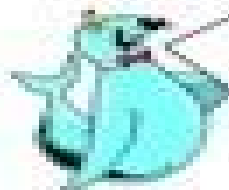

You will need to pack your bags carefully for this trip. Your very kind teacher has provided you with many ideas of what to pack in your luggage. However, you have a limit on what to bring! You have been given \$200.00 to spend on items that you may bring with you.

Can you determine what you will need on this trip without going over the budget?

Hi kids! I'm Skippy the Super Seal!
Here are guidelines I have provided you with in order to help you prepare for the trip.

- ✦ Write down what you think you would need on the trip
- ✦ Look at the list provided by your teacher and make wise selections
- ✦ Make sure you don't go over your budget!
- ✦ Be sure to pack what you need and not what you want
- ✦ Don't forget to consider the weather conditions and activities you will be doing in the Arctic!

****In order to get full marks, make sure you have made the right choices without going over your budget!****
