## PROJECTS

DR. JACOB VAN KUPPEN

### Introduction

Introduction is not the only word we can use to describe a year. It is the most significant in terms of what we have achieved. We have made significant progress in our mission to improve the lives of the people we serve.

### Results

We have made significant progress in our mission to improve the lives of the people we serve. We have made significant progress in our mission to improve the lives of the people we serve.

### What you can do

We can use our resources to help the people we serve. We can use our resources to help the people we serve.

We can use our resources to help the people we serve. We can use our resources to help the people we serve.

We can use our resources to help the people we serve. We can use our resources to help the people we serve.

We can use our resources to help the people we serve. We can use our resources to help the people we serve.

# How To Do Annual Report

**Nebraska. State Railway Commission**

## How To Do Annual Report:

**Annual Reports** John Stittle, 2003 This book concentrates on ensuring that the corporate message is communicated to stakeholders in a way that maximises the value of the annual report and outlines how this might best be achieved It explains the importance not only of the quantitative accounting information but also the qualitative content such as the chairman's statement directors report operating and financial review explanatory notes and so on Particular recognition is given to the legal stock exchange and professional accounting requirements as well as to the increasingly important but more discretionary areas of content such as social environmental and ethical reporting issues Crucially the book discusses the importance of electronic communication now that legislation allows companies to deliver information over the internet On a practical level the book takes the reader through the procedures and processes in actually managing the preparation and production of the report Both the practical and theoretical aspects of the book are placed in context by the use of relevant extracts taken from real life annual reports of major organisations By using these authentic examples the book clearly highlights what works and what doesn't Ensure that your company's annual reports conform to the highest standards of best practice Don't waste the opportunity to deliver your message *Publications* United States.
