

The background of the top half of the cover is a detailed, sepia-toned historical map of Paris, showing the city's layout, streets, and the Seine river. The map is partially covered by a white, torn-paper effect at the bottom.

HOW
PARIS BECAME
PARIS

THE INVENTION OF THE
MODERN CITY

The bottom half of the cover features a historical painting of a busy Parisian street scene, likely from the 17th or 18th century. It depicts a large crowd of people, horse-drawn carriages, and a white horse in the foreground. The scene is set in a wide, open square or street with buildings in the background.
