**Romancing the Self in Early Modern Englishwomen's Life Writing** Julie A.

Eckerle,2016-04-01 Juxtaposing life writing and romance this study offers the first book length exploration of the dynamic and complex relationship between the two genres In so doing it operates at the intersection of several recent trends interest in women s contributions to autobiography greater awareness of the diversity and flexibility of auto biographical forms in the early modern period and the use of manuscripts and other material evidence to trace literacy practices Through analysis of a wide variety of life writings by early modern Englishwomen including Elizabeth Delaval Dorothy Calthorpe Ann Fanshawe and Anne Halkett Julie A Eckerle demonstrates that these women were not only familiar with the controversial romance genre but also deeply influenced by it Romance she argues with its unending tales of unsatisfying love spoke to something in women s experience offered a model by which they could recount their own disappointments in a world where arranged marriage and often loveless matches ruled the day and exerted a powerful pervasive pressure on their textual self formations Romancing the Self in Early Modern Englishwomen s Life Writing documents a vibrant secular form of auto biographical writing that coexisted alongside numerous spiritual forms providing a much more nuanced and complete understanding of sixteenth and seventeenth century women s reading and writing literacies

**Saving the Subject** Cameron M. Fathauer

JD,2024-08-27 In his debut book Saving the Subject Cameron Fathauer paints a spiritual odyssey following his traumatic brain injury with vividness and vulnerability capturing both the weight of his physical trials and the depth of his reflections Previously aspiring to be a minister Fathauer s path was radically altered when he was hit by a car as a pedestrian steering him to the legal profession and reshaping his identity journey Beyond the author himself the narrative features an unexpected array of characters including triplet toddlers legal scholars and the infamous Unabomber More than a memoir this remarkably layered work engages the identity question through a smorgasbord of distinct but ingeniously connected themes of trauma family and faith To discover how these elements weave together you ll have to explore the pages yourself Fathauer has taken a leap of faith by publishing a book that quite literally puts his darkest moments on public display Yet he does so with the confidence that this open book vulnerability will illuminate a deeply personal and transformative light for his readers as it has for himself

**Engaged Fatherhood for Men, Families and Gender Equality** Marc Grau Grau,Mireia

las Heras Maestro, Hannah Riley Bowles, 2021-09-07 This aim of this open access book is to launch an international cross disciplinary conversation on fatherhood engagement By integrating perspective from three sectors Health Social Policy and Work in Organizations the book offers a novel perspective on the benefits of engaged fatherhood for men for families and for gender equality The chapters are crafted to engaged broad audiences including policy makers and organizational leaders healthcare practitioners and fellow scholars as well as families and their loved ones Heidegger and Literary Studies

Andrew Benjamin, 2023-11-23 Martin Heidegger is one of the most influential philosophers of the 20th Century and a key philosophical resource for literary critics Not only has he written about poetry generations of poets have engaged his writings And yet for Heidegger poetry and literature are separate An essential part of the project of this book therefore is to show how both the distinction and connection between literature and poetry is staged within Heidegger s thought It offers Heidegger s perspective on a range of key themes topics poets and writers including Poetry and Poetics Ancient Greek theatre and tragedies and then specifically Friedrich Hlderlin Thomas Mann Paul Celan Euripides and Sophocles As the Chapters comprising this book make clear Heidegger s work remains indispensable for any serious engagement with either literature or poetry today **The Dublin Review** ,1929 LIFE ,1959-10-19 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *The Ethics of Democracy* Lucio Cortella, 2015-09-01 Demonstrates how the ethical underpinning of Hegel s political and social philosophy has relevance for contemporary democratic life The legal regulations and formal rules of democracy alone are not enough to hold a society together and govern its processes Yet the irreducible ethical pluralism that characterizes contemporary society seems to make it impossible to impose a single system of values as a source of social cohesion and identity reference In this book Lucio Cortella argues that Hegel s theory of ethical life can provide such a grounding and makes the case through an analysis of Hegel s central political work the Philosophy of Right Although Hegel did not support democratic political ends and wrote in a historical and cultural context far removed from the current liberal democratic scene Cortella maintains that the Hegelian theory of ethical life with its emphasis on securing a framework conducive to human freedom nevertheless offers a convincing response to the problem of the ethical uprootedness of contemporary democracy **In Search of the Sacred Book** Aníbal González, 2018-05-03 In Search of the Sacred Book studies the artistic incorporation of religious concepts such as prophecy eternity and the afterlife in the contemporary Latin American novel It departs from sociopolitical readings by noting the continued relevance of religion in Latin American life and culture despite modernity s powerful secularizing influence Analyzing Jorge Luis Borges s secularized narrative theology in his essays and short stories the book follows the development of the Latin American novel from the early twentieth century until today by examining the attempts of major novelists from Mar a Luisa Bombal Alejo

Carpentier and Juan Rulfo to Julio Cortázar Gabriel García Márquez and José Lezama Lima to sacralize the novel by incorporating traits present in the sacred texts of many religions It concludes with a view of the desacralization of the novel by more recent authors from Elena Poniatowska and Fernando Vallejo to Roberto Bolaño
