(Incorporated in the People's Republic of China with limited liability)

We have audited the consolidated financial statements of Bank of China Limited (the "Bank") and its (together, the "Group") set out on pages 124 to 312, which comprise the consolidated and the Bank's of financial position as at 31 December 2012, and the consolidated income statement, the consolidated comprehensive income, the consolidated statement of changes in equity and the consolidated statement of for the year then ended, and a summary of significant accounting policies and other explanatory information.

Directors' Responsibility for the Consolidated Financial Statements

The directors of the Bank are responsible for the preparation of consolidated financial statements that give a view in accordance with International Financial Reporting Standards and the disclosure requirements of the Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conduct our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.
