*alldatasheet.com*

Agilent customers choosing to perform their own periodic maintenance (performance verification and adjustments) can use the same software used by Agilent Service.

Agilent offers to provide the best service available for a broad range of instruments. But you may be a customer who balances cost, quality, and cycle time requirements for performing your own calibrations whenever possible. You may have the necessary equipment, facility manpower, and skill, but for complex RF/ $\mu$ W instruments, you could benefit greatly from having robust automated routines to facilitate the calibration task.
