Reading the First Five Books Rachel Toombs, 2024-10-29 This book invites readers to rediscover the artistry and transformative power of the narratives of the first five books of the Bible Reading the First Five Books highlights key literary techniques like brevity pacing characterization and use of the grotesque showing how these characteristics shape biblical stories into memorable complex narratives that reward close reading This accessible guide unpacks what makes Old Testament stories effective while cultivating skills for deeper engagement with scriptural texts Extended examples drawn from each book of the Pentateuch are included Bridging literary study and biblical scholarship Reading the First Five Books models a spirit of open minded yet careful reading that uncovers profound meaning in sparse details The book is ideal for courses on the Old Testament or the Pentateuch Students will find valuable instruction and inspiration for their own journeys through these sacred texts Teaching Literary Elements Tara McCarthy, 1997 1 Character 2 Setting 3 Plot 4 Expanding the reading and wrting experience **Formative Assessment in the New Balanced Literacy Classroom** Margaret Mary Policastro, 2015-06 Now there s a way to blend balanced literacy and formative assessment This book infuses research based best practices of formative assessment through the lens of Common Core with assessment support in these areas read alouds guiding language into reading language and literacy centers and independent reading and writing It also includes the how for novice and veteran K 8 teachers administrators and school literacy teams Resources are included to help educators collect information and provide feedback to students Characters and Characterization in the Gospel of John Christopher W. Skinner, 2013-04-11 This volume examines characters in the Fourth Gospel and provides an in depth look at different approaches currently employed by scholars working with literary and reader oriented methods Divided into two sections the book first considers method and theory followed by exegetical character studies using a literary or reader oriented method It summarizes the state of the discussion examines obstacles to arriving at a comprehensive theory of character in the Fourth Gospel compares different approaches and compiles the diverse methodologies into one comparative study Through this detailed exegesis the various theories will come alive and the merits or deficiencies of each approach will be available to the reader This volume is both a comprehensive study in narrative reader oriented theories and a study in the application of those theories as they apply to characterization Summing up current research on characters and characterization in the Fourth Gospel this book also provides a comprehensive presentation of different approaches to character that have developed in recent years The Cambridge Companion to the Roman Historians Andrew Feldherr, 2009-09-24 An introduction to how the history of Rome was written in the ancient world and its impact on later periods It presents essays by an international team of scholars that aim both to orient non specialist readers to the important concerns of the Roman historians and also to stimulate new research **The Place of the Gospels in the General History of Literature** Karl Ludwig Schmidt, 2020-09-18 Karl Ludwig Schmidt s classic Die Stellung der Evangelien der allgemeinen Literaturgeschichte

was one of a handful of twentieth century essays on the New Testament to set the agenda for an entire generation of New Testament scholars First published in 1923 the text laid out Schmidt s contention that the gospels represent a literary genre that does not derive from others in the ancient world In portraying the gospels as the written record of an oral tradition rather than as biographical or historical text the German scholar found points of comparison with Sayings of the Desert Fathers and the later collections of Faust legends Schmidt s powerful argument has commanded attention in Germany for decades but has never before been fully available in English In recent years the question of gospel genre has reemerged as an issue of debate With this translation Byron R McCane enables a new generation of English speaking scholars to engage with Schmidt s classic perspective on an enduring question In an introduction to the volume John Riches places Schmidt s landmark study in its context He locates the text among the writings of the form critics with whom Schmidt allied himself and relates it to Schmidt s own still untranslated study of the topography and chronology of the gospels He documents the essay s reception in the English speaking world and critically examines the way Schmidt is understood in present day discussion of the genre of the gospels Riches also explores how recent efforts to classify the gospels as ancient biographies have in many ways misread and misrepresented Schmidt s views errors that this translation will help rectify Comparative

Characterization in the Sermon on the Mount Arren Bennet Lawrence,2017-03-24 The Sermon on the Mount contains many comparisons In this book the functions of these comparisons are studied by the methodology called comparative characterization Characterization is the way a character is characterized in a narrative Comparative characterization is the characterization of a character using comparisons In comparative characterization another character is used as a foil to bring out a characteristic trait of a concerned character Jesus characterized the ideal disciple in the Sermon on the Mount with many descriptions and imperatives To characterize the ideal disciple Jesus used many comparisons and highlighted the characteristic features that embody the ideal disciple The many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization In addition the teleological purpose of the comparisons which is to play as foil to the characterization of the ideal disciple is identified and highlighted Thus this study identifies Jesus characterization of the ideal disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount **Elements of Literature and Composition** Lucius Adelno
