## Close Reading Inference Worksheet (Chapter 1)

**Directions:** Use these questions to reflect more deeply about plot and literary craft. For short answer questions, respond in complete sentences.

.....

\_\_\_\_\_ 1. Revisit the first two paragraphs of *Animal Farm*. What is the function of this passage? Choose the best answer.

Mr. Jones, of the Manor Farm, had locked the hen-houses for the night, but was too drunk to remember to shut the pop-holes. With the ring of light from his lantern dancing from side to side, he lurched across the yard, kicked off his boots at the back door, drew himself a last glass of beer from the barrel in the scullery, and made his way up to bed, where Mrs. Jones was already snoring.

As soon as the light in the bedroom went out there was a stirring and a fluttering all through the farm buildings. Word had gone round during the day that old Major, the prize Middle White boar, had had a strange dream on the previous night and wished to communicate it to the other animals. It had been agreed that they should all meet in the big barn as soon as Mr. Jones was safely out of the way. Old Major (so he was always called, though the name under which he had been exhibited was Willingdon Beauty) was so highly regarded on the farm that everyone was quite ready to lose an hour's sleep in order to hear what he had to say.

- A. To convey an unserious and humorous tone consistent with fables and fairy tales
- B. To establish the fact that the animals live and work in dangerous conditions
- C. To emphasize the contrast between how humans and animals are characterized

\_\_\_\_\_ 2. The author shares that Mollie "took a place near the front and began flirting her white mane, hoping to draw attention to the red ribbons it was plaited with." Given this phrasing, what is the author's intent? Choose the most logical inference.

- A. The author intends to portray Mollie as insecure
- B. The author intends to portray Mollie as well respected
- C. The author intends to portray Mollie as untrustworthy
- D. The author intends to portray Mollie as shallow
