Osefo,2023-05-23 When star of Bravo s The Real Housewives of Potomac Dr Wendy Osefo was growing up her mother was her everything But when she became a mother herself everything changed In this exquisitely drawn portrait of the intense bond that only a mother can have with a daughter Katie Haufner author of Mother Daughter Me Wendy explores how her Nigerian upbringing has affected her life her success and her role as a parent Wendy Osefo s mother Iyom Susan Okuzu arrived in the United States from Nigeria with two things a single suitcase and the fierce determination to make a better life for herself and her future family And she succeeded starting out working in a fast food restaurant and ultimately becoming the director of nursing at a major metropolitan hospital While Susan may have taken pride in triumphing over every financial and emotional challenge in Nigerian culture a parent is only as successful as his or her children And so her daughter with gratitude and appreciation for her mother s sacrifices worked hard to meet every demand Susan made of her With four advanced degrees and a position at Johns Hopkins University as a professor as well as being a highly sought after political commentator a cherished wife and a loving mother of three Dr Wendy has given her mother bragging rights for life But at what cost to herself In Tears of My Mother the star of The Real Housewives of Potomac describes growing up as a first generation American balancing two distinct cultures And she takes a critical look at the paradox of her mother s parenting approval conditioned by achievement As a teenager Wendy struggled to carve out her own identity while still walking the narrow path of her mother s expectations Unwavering family loyalty and obedience gave Wendy the road map to making it in America but it also drove a wedge between mother and daughter never more so than when she began to build her own family A love letter to Dr Osefo s mother and first generation immigrants all across America Library Journal this book is for anyone who has faced conflict in the mother daughter relationship or wondered how much of their own upbringing they want to pass on to the next generation The Bulletin of the National Association of Secondary School Principals National Association of Secondary School Principals (U.S.),1969 **Maverick for Life** HENRY ERIC FIRDMAN,2004-02-04 I had no way to know that my beloved bosses were active members of the infamous Rosenberg ring I learned this much later two years after my immigration to the States I also learned then that in my ignorance I was in a good company with the FBI that wanted Joel Barr a k a Joe Berg and Alfred Sarant a k a Phil Staros since the late 1940s but had no idea forty years later where these people were The letter was delivered to Shuysky Khrushchevs personal assistant who promised to put it on Khrushchevs desk the day he comes back from his vacation Unfortunately when Khrushchev came back he was no longer the First Secretary of the Central Committee A young Jewish looking man came out of the Consulate and looked at me Three people surrounded me right away and one of them said Lets go The last thing I saw was the Americans frightened face and then he darted back through the door Another KGB operative with Lyalya at his side caught up with us Apparently KGB had our pictures Now I had a chance to experience mundane daily life in the United States I would finally live in the country where everything was rational logical economically justified and not prone to any ideological perversions I would finally not feel like Gulliver in the
