Omnidoxy Cometan, Astronist Institution, 2019-02-11 The *Omnidoxy* is the founding treatise of the Astronist religion and was solely authored by the philosopher and religious founder Cometan. Partitioned into twelve disquisitions, each of which are further divided into hundreds of discourses which are themselves titled by those which are known as rubrals. The *Omnidoxy* has been codified according to a unique writing structure known as insentence. The *Omnidoxy* not only forms the foundations of Astronism but it remains the primary modern contributor and the book that ignited the establishment of the Astronic tradition of religion which encompasses the philosophy of Astronism. Introducing brand new philosophical concepts such as cosmocentricity, reascensionism, transcensionism and sentientism amongst many others. The *Omnidoxy* remains the principal signifier of a new era in philosophy. The *Omnidoxy* births hundreds of new belief orientations, schools of thought, neologisms, disciplines of study, theories and concepts which when combined and considered collectively have formed the basis of Astronism. The authorship of The *Omnidoxy* rests with the single individual philosopher Cometan who began writing The *Omnidoxy* at the age of seventeen, driven by what he terms as personal inspiration. The historical origination of The *Omnidoxy* rests in its authorship by Brandon Taylorian during early 21st century England, specifically in the northern county of Lancashire. Like in all textual criticism, the timing and location of the codification of The *Omnidoxy* is integral to understanding why and how it was written, especially by considering the influential factors impacting

Taylorian during his construction of the text particularly the cultural political religious and social contexts of Taylorian s personal life and of wider society at the time This forms an important branch of study within omnidoxicology known as omnidoxical criticism or omnidoxical exegesis in which scholars study and investigate The Omnidoxy in order to discern conclusive judgements inspired by how where why by whom for whom and in what circumstances The Omnidoxy was written

The Millettarian Methodology Cometan, Brandon Reece, The Millettarian Methodology is a post disquisitional segment of the Omnidoxy within the Appendix of the Omnidoxy as part of the Original Omnidoxical Series solely written and organised by Cometan As distinct from the rest of the writings within the Omnidoxy The Millettarian Methodology comprises of an extensive collection of methodologies covering a variety of topics within business economics accounting finance marketing and other non religious and non philosophical subjects The Millettarian Methodology s influence on Astronism has been varied with the majority of its impact found in the practical operations of the Astronist Institution *Textile Horizons* ,1994

Peripheral Omnidoxy Cometan, 2021-11-12 The Peripheral Omnidoxy is a publication that consists of both the Preppendix of the Omnidoxy and the Appendix of the Omnidoxy publications therefore all non disquisitional segments of the Omnidoxy It was solely written and organised by the philosopher and founder of Astronism Cometan and was originally published by Astral Publishing an imprint and publishing subsidiary of the Astronist Institution It consists of a number of different types of books and genres including reference works philosophical musings quotations mythology encyclopaedias lexicons and dictionaries
