The Wonderful World of Joseph McCrumble Mark Booth, 2006 The Wonderful World of Joseph McCrumble is a highly entertaining but occasionally tragic insight into the life and times of Dr Joseph McCrumble an erstwhile yet quietly charismatic scientist artist who is thrust into the world of celebrity after consulting on a doomed reality TV programme Writing in his on line diary Dr McCrumble sets out to simply enlighten the public to his valuable work on parasites of both animals and humans undertaken at the now infamous Cumbernauld Institute of Parasitology location undisclosed but definitely nowhere near the Scottish new town of Cumbernauld Unfortunately events soon take a turn for the worse and we begin a tumultuous adventure with more twists and turns than an amateur plumbing convention On the lighter side there's kleptomania kidnapping nocturnal clinches with naked strangers unexpected

pregnancy and imprisonment All these escapades involve his family and colleagues whose gamut of quirks and idiosyncrasies can only be described as colourful A more life threatening aspect of the author s life is seen when his diary takes us on precarious journeys to the wildlife parks of East Africa the blustery highlands of Scotland and the dark ominous jungles of Papua New Guinea a place where Dr McCrumble has experiences that even Joseph Conrad author The Heart of Darkness would balk at Despite the plethora of tragicomic events that Dr McCrumble has to endure he maintains his philanthropic ethos and insists that a large slab of the profits of this book his self declared magnum opus be shared between the Matangini Project a charitable venture supporting community projects in East Africa and Children In Need Note This edition of the diary also contains a 70 page story called Five Days in Denver an entirely fictional and racy account of scientists behaving badly at a scientific conference

Reaper Patrick J. O'Brian, 2002 Firefighter Paul Clouse is the prime suspect when his wife of six years is brutally murdered on Halloween night Working to restore the historic West Baden Springs Hotel Clouse soon learns his friends and the hotel are targeted by a murderer disguised as the grim reaper The horrific discovery that the murderer may be someone close to him sends Clouse on a desperate search to identify the killer and his motives before his friends and family become the madman s next victims

E-math I' 2007 Ed. (elementary Algebra) , **Crush** Samuel E. Stone, 2000-06-23 The author is a retired police sergeant with twenty five years experience in all aspects of law enforcement He has a story to tell which he believes the public will not only find interesting and entertaining but equally educational concerning the communities in which they live His message is contained within the fictitious novels he writes This is one such story The story line of Crush centers around the Sarge who in late 1988 was a sergeant with the local Sheriffs Office in the rural county of Kingston He was assigned the task of setting up and overseeing an undercover sting operation The Sarges supervisor directed him to locate a store front in the business community where the officers assigned to work undercover could conceal their false identities under the premise of a legitimate business The Sarge was allowed free reins to implement the undercover operation He summoned the aid of his long time friend and Vietnam war buddy Zeke Zeke was an ex cop who was currently the aid to the local Congressman The Sarge and Zeke decided to open a military surplus store as the undercover store front Together with the assistance of the Congressman they obtained an unlimited supply of military surplus and opened Wild Willies surplus store The Sarge was assigned two police officers from his own department to work the operation and personally recruited four other officers from different departments All of the officers involved in the undercover endeavor were independent thinkers and veteran police officers They each believed that they could make a difference in the war against drugs and were dedicated to that very cause The irony of the situation was the actual fact that each one of them was addicted to a drug They were all adrenalin junkies They got off on a natural high of facing life and

death situations These people made the best undercover operatives but also created a supervising nightmare for the Sarge The squads mission was to infiltrate the drug community and purchase illegal drugs Their goal was to develop criminal cases against the drug dealers from the street peddlers through the network up to the major suppliers The plot thickened as the squad became accepted into the drug community Personal relationships developed between the members of the squad and the drug dealers which provided complications to the operation There is a weaving of interpersonal subplots which give the reader a better understanding of the human qualities and feelings of the characters Action and conflict lurked in the shadows of each drug deal as the realities of the drug world unfolded before the squads eyes In the midst of their life and death struggles the Sarge questioned his own superiors motives He started to wonder if the Sheriff himself had his own hidden agenda as he found himself at odds with his own boss The Sheriff claimed the operation was too successful The number of cases made against the drug dealers was such that it would significantly impact the courts The Sheriff decided after only six months the undercover operation which originally was scheduled to run for a years time had to be closed down immediately The Sarge argued unsuccessfully his reasons why the operation should have been allowed to continue After realizing that they had no choice in the matter of closing down Wild Willies surplus store and ending the operation the squad set up the final drug deals with the major players The emphasis was on severely impacting the drug trade within the community The squad was successful in their endeavors but it was not without paying a costly price The underlying theme of this story is the real life tribulation and trauma endured by police off
