is the modern version of Old Testament Israel That the Biblical God is actually a man or manlike entity Inferences to very advanced technology Inferences that Jesus of the Gospel was gay More than one Jesus Christ The second coming has already happened Reincarnation concerning Jesus and the prophets Periodic mass extinction An Exposition of the Book of Revelation Odell Furtick Jr.,2018-03-23 Odell Furtick begins this exposition by saying Do you believe Its a question that everyone must answer personally Its been over two thousand years since anyone has seen Jesus on earth after his ascension and now the believers are told to wait for his return Has humanity grown weary in their belief and lost faith in the promises of God Dr Furtick leads his readers through the book of Revelation verse by verse reassuring the readers that Gods final words are reliable and precise The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols This book brings to life a concise knowledge of the mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ The book of Revelation is relevant in the twenty first century and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God **The Light of His Presence** Anne Graham Lotz,2020-10-06 ECPA BESTSELLER CHRISTIAN BOOK AWARD FINALIST The beloved Bible teacher and daughter of Billy Graham shares a rich treasury of her personal prayers to guide you into deeper more intimate daily conversations with God Why is it that as soon as we bow our heads to pray we start thinking of other things we need to do How do we make time to pray in the middle of our busy lives And how do we know what to say and how to say it Like many of us Anne Graham Lotz has struggled with prayer Over the years she discovered that writing out her prayers draws her into deeper more intimate conversations with God The Light of His Presence offers forty of these tender honest prayers for real life situations as an invitation to deepen your own prayer life through worship confession thanksgiving and intercession You ll be encouraged to lean more fully into God s promises through this power packed devotional resource which includes inspiring quotes from Christians throughout the ages and also has space to journal your own words to God As Anne writes My prayer for you is that God will use my struggle with prayer to help you overcome yours And that as a result you will be drawn nearer to the heart of God *Joshua-Esther* Matthew Henry,1758 I Am the Vine, Ye Are the Branches: Exploring the Glory and Purpose of the Branch in the Vine , Paul and Ancient Views of Sexual Desire J Edward Ellis,2007-06-08 Paul and Ancient Views of Sexual Desire refutes the argument put forward by some scholars that Paul in his sexual ethics is in partial agreement with a current of thought in the Greco Roman world that condemns sexual desire and advocates the elimination of such desire from marital sex Ellis argues against not only this line of thought but also the attendant notion that this way of thinking underlies Paul s comments on homosexual activity in Romans 1 Through close analysis of numerous ancient passages relating to sexual desire Ellis demonstrates that ancient thinkers tend to condemn not sexual desire in itself but excessive sexual desire and lack of self control Furthermore he contends that ancient auditors would have been unlikely to see condemnation of sexual desire in Paul s words in 1

Thessalonians 4 or 1 Corinthians 7 Transition, Infinity, and Ecstasy Suresh Hariramsait, 2016-01-15 Though modern astronomers and astro phycisists like Stephen Hawking have their doubts about interstellar travel there are countless references to inter dimensional travel in mostly ancient Indian texts The Kandha Puranam nearly 17 million years ago mentions that the Asura Titan King Sooran ruled over 1008 universes and had vimanas or flying crafts that could in an instant travel all over space cutting across dimensions at tremendous speed that could hover in mid air over water disappear and re appear all of a sudden and had a host of stealth weapons even nuclear winter is mentioned for it is said that the entire world was enveloped in darkness caused by Sooran during the war Lord Muruga possessed the Peacock Craft that could circumvent the 14 worlds and fly beyond in a micro second and his missile with the lengthy flame nedunchudar Vel was voice activated and re useable and was so powerful that it blew up into smitherns the Kraunja mountain which even our modern day nuclear weapons cannot do according to scientists The Ramayana 17 million years ago mentions that Emperor Ravana s Pushpaka vimana which he captured from Kubera the Lord of riches in heaven could host as many passengers as it takes there were stun weapons and stealth technology In the Mahabharata war 3500 b c nuclear weapons like the brahmastra were used and there is mention of numerous flying crafts of the Lords Angels of Asuras Titans and Rakshasas Demons who all travelled to and fro from the upper and lower worlds The Sri Linga Purana mentions that Lord Brahma s Swan Craft flew and transcended the seven upper worlds while Lord Vishnu s Boar Craft tunnelled though the seven lower worlds and went even beyond Baathala the lowest plane which all reminds us of blackholes being portals and shortcuts to parallell universes which is being theoretically proved today More than 2500 years ago the Japanese Royal Family s ancestors met with the Sun God who landed on Mount Fuji and were presented with a sword and an orb which are still in the Imperial Palace in Japan The native Indian s forefathers living on sun Island on lake Titicaca in South America were visited by the Sun God The Dogon tribes of Mali have a tradition that their forefathers had sailed on a great ship that flew down from Sirius the star but what is interesting is that they don spacesuit like gear and celebrate their home coming once every fifty two years which is when sirius comes in direct alignment with our world **In the Presence of the Lord** Baruch A. Biblical Theology Andreas J. Köstenberger, Gregory Goswell, 2023-02-23 A Clear Careful Textbook to Help Bible Students Interpret Scripture Pastors thoughtful Christians and students of Scripture must learn how to carefully read and understand the Bible but it can be difficult to know where to start In this clear logical guide Andreas J K stenberger and Gregory Goswell explain how to interpret Scripture from three effective viewpoints canonical thematic and ethical Biblical

Theology is arranged book by book from the Old Testament using the Hebrew order through the New Testament For each text K stenberger and Goswell analyze key biblical theological themes discussing the book s place in the overall storyline of Scripture Next they focus on the ethical component showing how God seeks to transform the lives of his people through the inspired text Following this technique readers will better understand the theology of each book and its author A Clearly Written Guide on Biblical Theology Analyzes all 66 books of the Bible with emphasis on the coherent unified framework of Scripture Helps Readers Thoughtfully Interpret Scripture Provides an essential foundation for a valid theological understanding of Scripture that informs Christian doctrine and ethics Ideal for Pastors Academics and Other Serious Students of Scripture This clear thoroughly researched guide can be used as a textbook in seminary classes studying biblical theology or the Old and New Testaments Effective Strategic Warfare Alexander Bunda,2006-07 The Hidden Reality Yaakov Ben Mhaoila,2020-01-31 The Hidden Reality is a Kabbalistic Targum or Translation of various Books from both the Old and New Testaments in poetic form As the Kabbalah is Hebrew in its nature I have decided to title these poems in that vernacular they are subtitled in English I have studied the Kabbalah for most of my adult life and there s still so much to learn from it as a source of knowledge In Hebrew the ancient Rabbins referred to the Kabbalah as Ha Aur Nuthan The Giver of Light and as such it is Indeed Chebari it is a veritable reservoir of spiritual enlightenment and answers the many unanswered questions Like for example the mystery concerning death and the resurrection or regeneration of the soul from the dead seed body is this a reality or a religious myth Well when you consider the fact that all seeds must die before they can regenerate and enter into their higher life forms it obviously includes the organic seed body of man The three main objectives of this opus are 1 To explain the natural reality of the resurrection of the soul and its entry into that higher state of consciousness 2 To clarify the concept of hell does it actually exist as a place and if so where is it located 3 To scripturally eradicate the Jewish and Christian misconceptions concerning the Meshiach his true spiritual identity and why he had to suffer the ignominy of Golgotha But you can discover these hidden truths for yourself by turning these pages and reading Ha Metziaoath Tzephon The Rest of the Gospel Dan Stone,David Gregory,2014-04-01 Do I have life more abundant That s a question millions of Christians have asked down through the ages Dan Stone asked that question during a time of spiritual frustration in his own life and God answered by showing Dan he had been living only a part of the gospel message Dan s search led him to discover the truth of Christ in you as the rest of the gospel that most Christians overlook Readers who are hungry for a deeper experience with God will resonate with Dan s discovery of the rest of the gospel which is indeed rest for everyone who is willing to finally let go and let God Because I Have Been There Bob Jacobs,2019-08-06 I have written this book with the unique perspective of standing in God s White Light during an afterlife experience With an open mind and a glimpse of what lies ahead for us I now have a non traditional explanation for parts of the Bible Verses from the Bible are used as a backdrop to parts of this book Inside details are given on why it doesn t matter how you get to God From my real

life experiences I now understand that Religion isn't about who is wrong and who is right. It is about finding our peace. Throughout the New Testament, Jesus teaches us how to find our peace. This peace is the gateway to God and His Light. This book is also designed to be a handbook or guide. This guide will help people understand why the Church and Religion will still be very important after disclosure of intelligent alien life happens. After a disclosure event of this kind, this book will explain and help people understand that it doesn't matter. The reason being is that God and Jesus are still both very real.
