Elsewhere A Memoir:

Elsewhere Richard Russo, 2012-10-30 NATIONAL BESTSELLER The Pulitzer Prize winning author of *Empire Falls* turns to memoir in this intimate and powerful account Chicago Tribune of his lifelong bond with his high strung spirited mother and the small town she spent her life trying to escape Anyone familiar with Russo's novels will recognize Gloversville once famous for producing nine out of ten dress gloves in the United States By the time Rick was born ladies had stopped wearing gloves and Gloversville was on its way out Jean Russo instilled in her son her dream of a better life elsewhere a dream that prompted her to follow him across the country when he went to college Their adventures and tribulations on that road trip were a preview of the hold his mother would continue to have on him as she kept trying desperately to change her life Recounted with a clear eyed mix of regret nostalgia and love *Elsewhere* is a stirring tribute to the tenacious grip of the past Look for Richard Russo's new book *Somebody's Fool* coming soon

Elsewhere Julia Schueler, 1999-05-01 Home has always been elsewhere packed in a bag and that is pretty much the story of my life Like a gale at her back history propelled Julia Israel Schueler early in life on a westward course She was born in Moscow in 1923 and at the age of three months was exiled with her parents and other Mensheviks to Berlin Twice more The Group was displaced to Paris in 1933 as Adolf Hitler intensified the persecution of political opponents and to the United States via Spain and Lisbon when he invaded France in 1940 *Elsewhere* is Schueler's life memoir an adventure coming of age and coming to America story all in one Against the gripping backdrop of major twentieth century events she tells in lyrical prose her remarkable personal tale of immigration and acculturation and the ongoing search for an elusive home elsewhere Schueler revisits memories of school days in Germany streets blood stained from an early version of Kristallnacht and the admonishment You saw nothing nostalgia for socialist songs of youth reading banned books by Balzac and Zola a wardrobe of cast off made over clothes the shock of seeing Paris in blackout scenes of civil war ravaged Spain tears of guilt in Times Square on New Year's Eve 1940 and much more She introduces a parade of intriguing individuals including her imaginative romantic schoolmate Vivi the niece of Leon Trotsky Mr Wittenberg a close family acquaintance who spoke Esperanto Dina the daring young friend who ran away to become a model for the sculptor Aristide Maillol and refugees from Stalinist gulags and German concentration camps With touching and comic nuance she conveys the ties that bind language to survival identity experience and social acceptance and condemnation She recalls the weeping and fist shaking amid mysterious Russian in her family's kitchen her heartbroken whispers in forbidden German to her teddy bear and her resolve during the voyage to America to act as French ambassador to the New World She gives a delectable recounting of her first day of school in Paris the nasal vowels and swallowed consonants of the strange language flowing over her in a bath of bewilderment As associations prompt her Schueler breaks off the thread of her narrative to ponder later events for example visiting her married daughter in Morocco trips to Russia and China and breast cancer's lessons in both the curtailment and deepening of vitality Thus in aptly wandering style she

comes full circle in her telling often closing the gaps in early recollections with insights gained years afterward Elsewhere will draw readers into a delightful intimacy with the author as they follow her suspenseful passage from impressionable childhood through vibrant youth to graceful maturity to finding home at last in New Orleans *The Road to Elsewhere* David Gregor,2025-03 Every life contains moments that impact the trajectory of who we become In *The Road to Elsewhere* David Gregor revisits decisive moments that shaped his creative life These stories and vignettes of love loss and illumination range in length from a sentence to a few pages Together they create a patchwork portrait revealing the power of the smallest gestures to exact meaningful change in a life The stories are told in the zigzag way our memories appear randomly without design yet with a purpose Our stories help us reflect on how we got from there to here and how to move forward *The Road to Elsewhere* is an honest and sharply observed memoir illustrating that Reaching back can move you forward Acknowledging small moments can lead to big changes Embracing loss can lead to discovery *The Road to Elsewhere* is more than a memoir it is a love letter to memory and the meaning found in life's little moments **Son of Elsewhere** Elamin

The Allure of Elsewhere Karen Babine, 2025-05-20 A truly fascinating and heartwarming travelogue that beautifully points us in bold directions Aimee Nezhukumatathil author of *World of Wonders* One woman's cross country journey to explore the hold family history has on our lives and the power of new stories to shape what lies ahead In her mid thirties and happily single Karen Babine hitches up her tiny Scamp camper and sets out with her two unenthusiastic cats Galway and Maeve on a journey from her home in Minnesota to Nova Scotia to explore the place where her French Acadian ancestors settled in North America some four centuries ago As the miles roll by she wonders Why do we carry this need to belong to an established history What happens when that can't or shouldn't happen The road reveals more questions than answers about her history identity and belonging about the responsibilities of stories and silence about her life choices as a solo woman and what it means to be driven by both a strong sense of kinship to a very close knit family on one hand and a deep desire for independence on the other Capturing the joy freedom and powerful pull of the open road *The Allure of Elsewhere* is about the stories we're told the stories we tell and the way those stories make us who we are often in surprising ways Intimate curious and candid written with wry wit and warmth this is a courageous and inspiring memoir

Halloran,2020-04-14 What an achievement It is a major work The letters taken together with the excellent introductory sections so balanced and judicious and informative what emerges is an amazing picture of William Sharp the man and the writer which explores just how fascinating a figure he is Clearly a major reassessment is due and this book could make it happen Andrew Hook Emeritus Bradley Professor of English and American Literature Glasgow University William Sharp 1855 1905 conducted one of the most audacious literary deceptions of his or any time Sharp was a Scottish poet novelist biographer and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod This was far more than just a pseudonym he corresponded as Macleod enlisting his sister to provide the handwriting and address and for more than a decade Fiona Macleod duped not only the general public but such literary luminaries as William Butler Yeats and in America E C Stedman Sharp wrote I feel another self within me now more than ever it is as if I were possessed by a spirit who must speak out This three volume collection brings together Sharp s own correspondence a fascinating trove in its own right by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti Walter Pater and George Meredith and the Fiona

Macleod letters which bring to life Sharp's intriguing second self With an introduction and detailed notes by William F Halloran this richly rewarding collection offers a wonderful insight into the literary landscape of the time while also investigating a strange and underappreciated phenomenon of late nineteenth century English literature It is essential for scholars of the period and it is an illuminating read for anyone interested in authorship and identity **Memoirs** ,1915
