Seth Speaks (A Seth Book) Jane Roberts, 2012-04-01 One of the most powerful of the Seth Books this essential guide to conscious living clearly and powerfully articulates the furthest reaches of human potential and the concept that we all create our own reality according to our individual beliefs Having withstood the test of time it is still considered one of the most dynamic and brilliant maps of inner reality available today The Seth books present an alternate map of reality

with a new diagram of the psyche useful to all explorers of consciousness Deepak Chopra Seth was one of my first metaphysical teachers He remains a constant source of knowledge and inspiration in my life Marianne Williamson I would like to see the Seth books as required reading for anyone on their spiritual pathway The amazing in depth information in the Seth books is as relevant today as it was in the early 70s when Jane Roberts first channeled this material Louise Hay

The Unknown Reality, Volume One Jane Roberts, 2011-07-08 From the Bestselling Author of Seth Speaks and The Nature of Personal Reality In this mind stretching journey into the very frontiers of consciousness Seth reveals the multidimensional nature of the human soul In Seth Speaks Seth introduced the concept of probable realities in which our idle daydreams and unfulfilled impulses do take place in which all possible choices are fully experienced by other portions of the self Now in this first volume of The Unknown Reality Seth explains the dazzling labyrinths of unseen probabilities involved in any decision and how our awareness of these can enrich the waking life we know In a fascinating exploration of the cosmic web of our existence Seth reveals The purpose of dreams and how they are often fulfilled unconsciously Misconceptions about death and the afterlife How different probable realities intersect and influence one another The relationship between physical health and inner reality A series of exercises to help you discover the unknown portions of your greater identity The self is multidimensional when it is physically alive It is a triumph of spiritual and psychological identity ever choosing from a myriad of probable realities its own clear unassailable focus When you don't realize this then you project upon life after death all of the old misconceptions The fact is that in life you poise delicately and yet perfectly between realities and after death you do the same Jane Roberts Speaking for Seth

[The Way Toward Health](#) Jane Roberts, 2011-07-08 From the Bestselling Author of Seth Speaks and The Nature of Personal Reality In September 1984 the voice that had spoken for one of the most profound and prolific metaphysical teachers of the 20th century fell silent Seth the entity who described himself as an energy personality essence no longer focused in physical matter had spoken exclusively through Jane Roberts since 1963 During the long illness that led to her death Jane continued to channel Seth from her hospital bed but this final work was left unfinished Now in The Way Toward Health Jane's husband Robert Butts shares with us the intimate story of Jane's final days and the exquisite teachings that Seth gave during that time In an examination of the miracle of life in a human body Seth speaks about Why medicine and therapy often perpetuate illness How the practice of naming diseases can work against us The influence of religion in creating disease How children's health is influenced by parents' beliefs Humor as an effective factor in healing Includes 8 page photo gallery Do not think of the mind as a purely mental entity and of the body as a purely physical one Instead think of both mind and body as continuing interweaving processes that are mental and physical at once Your thoughts actually are quite as physical as your body is and your body is quite as nonphysical as it seems to you your thoughts are You are actually a vital force existing as a part of your environment and yet apart from your environment at the same time Jane Roberts speaking for Seth in The Way Toward Health
