Essentials of Psychiatric Mental Health Nursing Elizabeth M. Varcarolis, 2012-09-26 This focused approach to psychiatric mental health provides you with an uncomplicated way to understand the often intimidating subject of psychiatric nursing. Inside you'll find two themes of psychiatric mental health nursing: the How of Communication and the Why of Evidence. You will also find easy-to-understand explanations of the research that applies to psychiatric nursing issues and how to incorporate this evidence into everyday care.

Contemporary Management Gareth R. Jones, Jennifer M. George, 2016-05-16 In the new ninth edition of *Contemporary Management* by Jones and George, continues to provide students the most current and up-to-date account of the changes taking place in the world of business management. In this revision, the focus is on making *Principles of Management* relevant and interesting to today's students. Something that we know from instructor and student feedback engages them and encourages them to make the effort necessary to assimilate the text material. This product mirrors the changes taking place in management practices by incorporating recent developments in management theory, research, and by providing vivid current examples of how managers of companies large and small have responded to the changes taking place.

Loose-Leaf for Essentials of Contemporary Management Gareth R. Jones, Jennifer M. George, 2020-01-09 Jones and George's *Essentials of Contemporary Management* Ninth Edition provides the most current, concise account of changes taking place in the world of management and management practices while making the text relevant and interesting to students. It mirrors the changes taking place in today's management practice by incorporating recent developments in management theory and research. This text also provides vivid current examples of how managers of companies large and small address the challenges and opportunities they face and how they can effectively meet them. A hallmark of this text is how the authors infuse real managers who seize opportunities, overcome challenges, and effectively manage and lead their organizations in their *Manager as a Person* feature, allowing students to see real-life management in action. Central to the book's approach, boxed material is seamlessly integrated into the text and an integral part of the learning experience; it is not disembodied from the chapter narrative.
