Eternity Road Stan Sussberg, 2010-07-24 Eternity Road We are on the road to eternity some are closer to the end some nearer the beginning We are all on the road to eternity whether we like it or not Whether we agree with it or not we are all on this road It matters little We are getting closer each day to the end of the road Some of us expect to meet our maker others see nothing at all Some among us look toward a final reckoning Or has your life been punishment enough I cannot say what exactly is at the end of the road I am a person just like you I have a choice to do or not to do from the options presented to me We can't go back We must travel forward on Eternity Road What is at the end of Eternity Road I don't know I'm not there yet Will it be as we think Or will it be different I don't know If you can do your best everyday and make the right choices the end will take care itself What we believe may or may not be true The answer is waiting at the end of Eternity Road Some say we create our own personal heaven and hell we will see what is there when we are at end of the road See you on the other side
