A Creative Approach to the Common Core Standards Harry Chaucer, 2012-04-12 A Creative Approach to the Common Core Standards The Da Vinci Curriculum challenges educators to design programs that boldly embrace the Common Core State Standards by imaginatively drawing from the genius of great men and women such as Leonardo da Vinci

A central figure in the High Renaissance Leonardo made extraordinary contributions as a painter architect sculptor scientist engineer and futurist A Creative Approach demonstrates that schools can cultivate genius such as Leonardo s while insuring that all students realize the core skills that are crucial to all citizens Chaucer s Da Vinci Curriculum is relevant to public and independent educators who are creating schools within schools charter schools renewing schools or rethinking their own classrooms A Creative Approach serves as a model of biographical curricula that embraces the standards that Americans share as citizens in a democracy The text is rich in theory that has been tested in real classrooms By example Chaucer demonstrates that high schools can be more demanding imaginative engaging and joyous than most high schools tend to be today By adapting the Da Vinci Curriculum all educators can participate in this educational renaissance Innovative Curriculum Materials ,1999 Fourth Grade Success Susan Mackey Collins,2011-05 Capture the adventure students feel as they advance to a new grade level encounter new concepts and master new skills These motivating activities cover language arts math science and social studies A bonus section at the end of each book provides a jump start to the next grade level with a selection of language arts and math activities
