Lord Almighty God is calling His children to stand apart to resist the ways of the world and even the trends of the modern day church. Instead we are urged to follow the written and living Word of God. Within the pages of this book Pastor King shares the messages he received from the Lord with his devoted congregation. These messages were delivered during Sunday sermons throughout 2022, a year he declared The Year of Restoration. I invite you to prayerfully read through this book and allow it to transform you into a new life in Jesus Christ. Through His grace, all things shall be restored by Adonai. **Exalting Jesus in Matthew** David Platt, 2013-09-01. Edited by David Platt, Daniel L. Akin, and Tony Merida. This new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition. **Exalting Jesus in Matthew** is the second volume in the series and is solely authored by Platt, best-selling author of *Radical*. Other projected contributors to the series include notable authors such as Russell D. Moore, Al Mohler, Matt Chandler, Francis Chan, Mark Dever, and others. **The Original Ending of Mark** Nicholas P. Lunn, 2014-10-01. Although traditionally accepted by the church down through the centuries, the longer ending of Mark's Gospel (16:9-20) has been relegated by modern scholarship to the status of a later appendage. The arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of Mark and upon matters of language and style. This work shows that these primary grounds of argumentation are inadequate. It is demonstrated that the church fathers knew the Markan ending from the very earliest days, well over two centuries before the earliest extant manuscripts. The quantity of unique terms in the ending is also seen to fall within the parameters exhibited by undisputed Markan passages. Strong indications of Markan authorship are found in the presence of specific linguistic constructions, a range of literary devices, and the continuation of various themes prominent within the body of the Gospel. Furthermore, the writings of Luke show that the Gospel of Mark known to this author contained the ending. Rather than being a later addition, the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission, probably in Egypt during the second century. **The Absolute Certainty Jesus Is the Messiah** Donald Louis Giddens, 2005-02-10.
