**Goblin Tales of Lancashire** James Bowker,2021-04-26 In *Goblin Tales of Lancashire* James Bowker weaves a rich tapestry of folklore and fantasy drawing readers into the enchanting world of Lancashire's mythical creatures. The collection marries vivid storytelling with a lyrical prose style reflecting both the regional dialect and the enduring traditions of English folklore. Each tale serves as a portal into the past exploring themes of community morality and the interplay between the mundane and the magical. Bowker's deft narrative techniques invite readers to appreciate the nuances of local legends illuminating a literary context that honors both the oral traditions and the literary heritage of the region. James Bowker a scholar of folklore and a dedicated historian has spent years researching the tales and traditions that resonate within Lancashire. His profound understanding of the socio cultural landscape of the area informs his storytelling as he deftly channels the voices of past generations. With a deep appreciation for the workings of myth and the human condition Bowker stands as a guardian of stories that have shaped local identity and imagination. I wholeheartedly recommend *Goblin Tales of Lancashire* to anyone interested in folklore fantasy literature or the intricate narratives that shape regional cultures. Bowker's passion and expertise breathe life into this collection making it a vital read for both scholars and general readers alike eager to explore the shadows and wonders of Lancashire's mythical past.

## **GOBLIN TALES OF LANCASHIRE - 26 illustrated tales about the goblins, fairies, elves, pixies, and ghosts of Lancashire**

Anon E. Mouse,2018-09-13 Herein are 26 illustrated tales about the goblins fairies elves pixies and ghosts of Lancashire for children. As you can see this book is not only about goblins but rather about the many beings which inhabit the lands of the Fairy Kingdom. Herein you will find stories like *The White Dobbie* *The Skriker* or *Shrieker* *The Unbidden Guest* *The Fairy's Spade* *The King Of The Fairies* *The Captured Fairies* *The Pillion Lady* *The Fairy Funeral* *The Silver Token* *The Rescue Of Moonbeam* plus many many more. But are goblins really as bad as they've been made out to be? Over the years we have been told to think of Goblins as the most undesirable members of the Fairy kingdom. Well if all the stories we read are only about

the bad or evil Goblins then that is likely to sway our opinion It reminds me of the old adage The victorious in battle get to write the world s history In times well past it is easy to understand how the unlettered peasant could people desolate areas with beings of another world either the bleak fells the deep and gloomy gorges the wild cloughs the desolate moorland wastes or the salt marshes where the breeze bent and mysterious looking trees waved their spectral boughs in the wind the dark pools fringed with reeds amid which the Peg o Lantron flickered and danced and over which came the hollow cry of the bittern and the child like plaint of the plover and the dreary glens dark lakes and long stretches of sand of the north and west To them the forest was a place of solemn Rembrandt esque gloom where Druids erst heard victims groan the lonely fir crowned pikes and the mist shrouded mountains would seem fitting homes for the dread shapes whose spite ended itself in the misfortunes and misery of humanity Pregnant with mystery to such a mind would be the huge fells with their shifting neetcaps of cloud the towering bluffs the swampy moors and trackless morasses across which the setting sun cast floods of blood red light and irresistible would be the influence of such scenery upon the imagination of lonely traveler riding or walking between villages and towns at night with a feeling that he was surrounded by the supernatural So sit back with a steamy beverage and be prepared to be entertained for many an hour 10% of the net sale will be donated to charities by the publisher

*IT'S YOUR FAIRY TALE YOU KNOW - A Fairytale Adventure* Elizabeth Rhodes Jackson, 2018-08-30 This book is for all little boys and girls who love fairies and pixies. Here we have a story about a boy named Wendell who lives in Boston and likes fairy stories and baseball MUCH more than he likes fractions but he does like reading and can be found in the children's section of the library on most days. He even checked fairytale books out of the library and took them home with him. At night his parents had to take the books away from him as he was quite often found in the early hours of the morning reading a book under his covers with a torch. Then Wendell reads about the Wishing Stone. On making enquiries he finds it is no longer where his book said it would be and he starts to make enquiries as to its current whereabouts and so starts Wendell's adventure across Boston and into the land of Fairydom. This volume is sure to keep you and your young ones enchanted for hours if not because of the quantity then their quality. They will have you coming back for more time and again.

**THE SHADOW WITCH** Gertrude Crownfield, 2020-12-29 This is a sequel to *Princess White Flame* and is a children's story about a curse placed on Princess White Flame of the Fire Fairies and how it was lifted. Of all the fairy countries in the world none is more wonderful or beautiful than the country where the Fire Fairies live. Into that land no fairies of the earth or air or water dare venture. They would be seared or changed to ash or vapor. In the very heart of the Fire Country stands the palace of King Red Flame, the gleaming flame coloured palace, the Palace of Burning Coals. Around it lies a wonderful garden where paths wind away among great fields of fire lilies and flame roses lift their heads and the tall shining trees rustle in the wind with a sound like the whispering of the fire on the hearth. Here in this glowing country the good and happy fairies work and play and serve their king as all good fairies should. But not all fairies in this land are good and happy. Beyond the glow of the roses and the lilies beyond all sight of the glimmering trees there lies another part of the country where the evil fairies live. Here are great Plains of Ash and huge Caverns of Soot and stretches of gloom in which the Shadow Witch comes and goes. Here the Imps of Darkness lurk. Dragons crouch and Wizards dwell. Perhaps sometimes when you have looked into the Fireplace you have seen those dismal plains and darksome valleys. They lie away from the heart of the Fire at the side of the Hearth and between the flames and the heaps of ashes. In this story you will hear tell of
