**Reclaiming Your Land** Shari Lordi, 2017-06-29 As I was approaching my mid forties I was as weary and broken as a human being could be Living in bondage for several years had taken its toll on me I was barely existing Although the Spirit of God was always with me I was unable to gain a breakthrough until I finally and totally surrendered ALL to the Lord Jesus Christ When I let go of everything regardless of what the outcome could or would be was when the miraculous began to take place and happen in my life The Holy Spirit used simple and practical elements in nature to impart deep and life changing revelation into my soul One of the most powerful breakthroughs I received was given to me through the revelation of the metamorphosis process that butterflies go through It was through that journey that the blinders began to slowly fall off Born into a fallen world we must have a transformation experience through the redemption and shed blood of Jesus Christ Just as the butterfly goes through that very painful transition from what was to what is to be from the old man to the new creation we as children of God must also go through this process Liberation is beautiful and so worth the process Remember once a caterpillar transforms from crawling on the ground to a beautiful butterfly soaring through the air he can never go back He is
