God Is A Great Underground River:

Underground Rivers Richard J. Heggen, 2021-01-01 Underground rivers in science history the arts and any number of sightings elsewhere

Sacred Interconnections David Ray Griffin, 1990-01-01 This book shows the interconnections between postmodernism religion politics economics and art It shows that the awareness of interconnectedness is at the center of the postmodern sensibility Sacred Interconnections illustrates the rejection of the modern idea that these subjects can be discussed as separate disciplines While the term postmodern has been widely used for deconstructive cynical even nihilistic attitude especially in the world of art and literature the book represents the emergence of a reconstructive reenchanting postmodernism even within the artistic and literary circles

Confessions, Revised and Updated Matthew Fox, 2015-11-10 Matthew Fox's stirring autobiography Confessions reveals his personal intellectual and spiritual journey from altar boy to Dominican priest to his eventual break with the Vatican Five new chapters in this revised and updated edition bring added perspective in light of the author's continued journey and his reflections on the current changes taking place in the Catholic church Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger who later became Pope Benedict XVI Fox took this as a warning from the Church that henceforth thinkers should not think but get in line It is from this anti intellectual inquisition style mentality that the cover up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection was that they be uncritical yes men Confessions tells the inside story of what it was like standing in front of the train when the Vatican was on the attack It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis but holds little hope for the institutional church Rather this book points to the main interest and accomplishments of the author's work to bring spirituality and prophetic warriorhood alive again in society and religion Fox draws inspiration from great mystics of the past such as Hildegard of Bingen a champion of the Divine Feminine and Meister Eckhart a profoundly mystical and ecumenical champion of those without a voice and the return of the archetype of the Cosmic Christ alongside the teachings of the historical Jesus and the bringing forth of the wisdom traditions from all the world's spiritual traditions to stand up for eco justice gender justice economic justice and social justice

Consciousness V Catastrophe Gillian Ross, 2016-06-25 The significant problems we face cannot be solved at the same level of thinking we were at when we created them Albert Einstein The current crises besetting humanity call for a revolution in consciousness and a mystical renaissance that will bring about a whole new story of what it means to be human To this end Consciousness v Catastrophe introduces the reader to the new philosophy of Evolutionary Spirituality It is a philosophy that is engaging visionary scientists philosophers and spiritual thinkers across the planet They are forging a new understanding of evolution that honours science reframes culture and radically updates spirituality Evolutionary Spirituality celebrates the realization that the creative energy that has driven the evolution of the universe for billions of years is now becoming conscious of itself through us It sees consciousness not matter

as centre stage in the mystery that is evolution and reconnects us to the sacred dimension of existence Above all it helps to liberate us from the contracting concerns of ego inspiring us to awaken our mystical and creative potential and serve the bigger picture with humility gratitude and a profound sense of our unique purpose The first half of the book looks at the Big Picture of evolution physical and cultural and brings the reader into the revolutionary implications of seeing human consciousness as the emerging driving force of evolution replacing natural selection The second half explores the new story of Evolutionary Spirituality including its compatibility with contemporary scientific knowledge and the possibilities for consciousness that can be gleaned from the spiritual wisdom of mystics from all times and traditions With the help of profound quotations and website references the book aims to inspire the reader to explore the teachings of many of the most prominent evolutionaries who in their writings and in online conversations and courses are promoting the consciousness revolution across the planet

The Heart of Prayer Rupert Spira,2023-07-01 In The Heart of Prayer Rupert Spira elaborates on the understanding that the peace and happiness we seek can be found in the knowing of our own being Drawing on the wisdom of Being Aware of Being Aware and Being Myself this new volume explores another essential aspect of meditation that which is known as union with God and traditionally approached through prayer The belief shared by most people that we are a separate person a tiny part of a vast world leads us to project the idea of God beyond the world at an infinite distance from ourselves As this person we enter into a devotional relationship with God we surrender to God When through an understanding of our self as unlimited intimate being God s being the sole reality of all that is we see that we are not separate from God Our longing for God is found to be God s longing for us This volume is comprised of guided meditations that Rupert Spira gave during meeting and retreats in 2020 22 Throughout The Heart of Prayer Spira interlaces his contemplations with his own invocations as well as teachings prayers and poetry gathered from centuries of great works and sacred texts creating a rich experience of the unity of the perennial non dual understanding

Whee! We, Wee All the Way Home Matthew Fox,1980-06 This practical book leads us into a spirituality of passion that leads to compassion coming to our senses in every meaning of the phrase

Becoming an Ordinary Mystic Albert Haase,Albert Haase, OFM,2019-08-27 Do you ever feel like you are walking in spiritual circles While we might think it would be different for a Franciscan priest Father Albert Haase shares the same struggles Yet he also affirms that we are all called to be ordinary mystics This book offers a daily path to help us learn to be a mystic cultivating a life with God in which we draw close listen and respond moment to moment

MEISTER ECKHART'S WORDS FOR REVIVAL Akṣapāda, MEISTER ECKHART S WORDS FOR REVIVAL Meister Eckhart is a pioneer of German theology a mystic and a philosopher who influenced the world on seeing God in every aspect of life His majestic taught experiences and spiritual ideas raised his position as the star pole in spiritual philosophy In his life of teaching he was stroked by the acquisition of heresy His radical philosophy of religions won the test of time and it led him to achieve the position of a great mystic and theologian in 19th century Meister took initiative

in popularizing several ideas related to modern philosophy modern spirituality psychology and psychoanalysis In 1936 Eckhart began the publications of German and Latin critical works His works basically show only a small portion of idea that he really planned to write Meister wrote four works that are usually called treatises His great plan was to write Opus Tripartitum but unfortunately the first part Work of Propositions only exist today The other two parts Work of Questions and Work of Commentaries consist of valuable sermons and commentaries *Sermons that Connect* John R. Mabry,2011-05-01 The task of preparing and delivering a weekly homily can paralyze even the bravest seminarian Sermons that Connect can help A simple nuts and bolts guide it provides new preachers with a simple and effective model for powerful and compelling sermons It then shows preachers how to flesh out sermons in a simple step by step process that is insightful and painless As a beginner s guide it provides in one sitting everything someone will need to create meaningful sermons for years to come For those who have been preaching for a while it will be equally instructive helping preachers polish their sermons into even more effective works of art providing invaluable suggestions for recognizing and articulating the essential elements of good sermons **Faithful Generations** John R. Mabry,2013-03 Faithful Generations provides a hopeful and helpful guide to the different adult generations alive today discussing the events that formed them and the issues important to them Most importantly it describes their spiritual distinctions the particular needs gifts and concerns that drive these different generations With a basic understanding of how other generations think and what drives them spiritually ministers and congregations can not only avoid conflict but also put those distinctions to work in order to minister more effectively and create harmony in our religious communities *Illuminations of Hildegard of Bingen* Matthew Fox,2002-12-01 An introduction to the life and work of Hildegard Reveals the life and teachings of one of the greatest female artists and intellectuals of the Western Mystical Tradition Contains 24 full color illustrations by Hildegard of Bingen Includes commentary by Matthew Fox author of Original Blessing 250 000 sold Hildegard of Bingen 1098 1179 was an extraordinary woman living in the Rhineland valley during most of the twelfth century Besides being the abbess of a large and influential Benedictine abbey she was a prominent preacher healer scientist and artist She also was a composer and theologian writing nine books on theology medicine science and physiology as well as 70 poems and an opera At the age of 42 she began to have visions these were captured as 36 illuminations 24 of which are recorded in this book along with her commentaries on them She also wrote a text describing these visions entitled Scivias Know the Ways now published as Hildegard of Bingen s Mystical Visions Author Matthew Fox has stated If Hildegard had been a man she would be well known as one of the greatest artists and intellectuals the world has ever seen It is a credit to the power of the women s movement and our times that this towering genius of Western thought is being rediscovered in her full grandeur and autonomy Virtually unknown for more than 800 years in Western history Hildegard was featured as one of the women in Judy Chicago s Dinner Party in the early 1980s and published for the first time in English by Bear Company in 1982 In addition to her mystical teachings Hildegard s

music has been performed and recorded for a new and growing audience *Heart Power* Ed Conrad, 2014-10-15 Rather than attempting to engage the reader in more mental exercises the wisdom and inspiration in this daily companion book is designed to uncover something far more powerful Through personal stories infused with honest bold and sometimes humorous reflections the author invites us to awaken and energize our greatest inner resource the power of the inner heart Not only does he draw upon his personal experience practice research and vulnerabilities in crafting these daily pieces of wisdom he also draws from the well of renowned spiritual teachers and ageless wisdom traditions Day by day each writing stands on its own as a love offering created to inspire as well as support the dismantling of our personal fears When included as part of daily spiritual practice *Heart Power* is likely to awaken the sleeping giants of tangible courage spiritual healing creative energy and ongoing loving compassionate connection with ourselves and our companions Simple but potent heart centered daily practices are provided to help with this personal and spiritual restoration In this one of a kind daybook the power and wisdom of the inner heart comes of age *Creation Spirituality: A Theology* Rev. Dr. Richard E. Kuykendall, 2023-12-12 A Systemic Theology sounds like a work that will close debate shut down questions and attempt to sit conclusively on a shelf In this novel undertaking the author has borrowed that classical form and danced around it with a wonderfully accessible exploration of Creation Spirituality Kuykendall's tone is personal and invitingly conversational and will lead the reader to want to further explore to read broadly and of course true to the Creation Spirituality tradition get oneself off the bookshelves and into the messy inspiring and beautiful gift that is existence With scholarship and storytelling the author entices Christians familiar with restrictive theological categories the chance to recognize the authenticity of the Creation Spirituality tradition and to embrace a spiritual life that is vibrantly here now and this worldly To those new or familiar with the tradition Kuykendall's Systematic Theology excels as both a primer and reference companion Matthew Henry *God Is a Great Underground River* John Mabry, 2006-12-01 Columns written by the Rev Mabry for Creation Spirituality magazine along with many other essays articles and homilies that contrast and illumine the wisdom of various faith traditions have been compiled into one volume **Gelassenheit** Philip Krill, 2021-08-16 Gelassenheit is a German word with many meanings relinquishment surrender abandonment submission detachment letting go allowing acquiescence etc Meister Eckhart's favorite term for Gelassenheit is releasement Eckhart like mystics of every age experienced God as a Mystery of Releasement Gelassenheit involves the whole trinitarian Life The father lets go of Himself to be begotten in an intra trinitarian act of Gelassenheit and together Father and Son release the Holy Spirit for the salvation of the world These meditations on Gelassenheit are offered to help us experience God as a Mystery of Divine Releasement And since the spiritual life is also a progressive growth in interior Gelassenheit the author also hopes that this book will inspire a trinitarian vision of deification and contemplative prayer Meister Eckhart 1260-1328 was a German theologian philosopher and mystic A Dominican priest his writings comprised mostly of sermons were considered heretical during his lifetime but are now

considered the mystical gold standard of the Middle Ages **To Live From The Heart** Sister Stanislaus Kennedy,2015-10-22 This is a sacred treasury a spiritual notebook which is very special to me and which has touched and inspired me at different times over the years In *To Live from the Heart Mindful Paths to the Sacred* Sister Stan reveals how prayer can play an important part in all our lives lifting our spirits and offering us hope and support in good times and bad This comforting treasury of mindful meditations prayers proverbs and essays has helped to sustain Sister Stan through the years In sharing them with us she hopes they will nourish our souls bring us peace on our journey through life and inspire us to live from the heart **Experiencing God** Ian S. Markham, Kimberly E. Dunn, 2024-04-01 Episcopalians are famous for their liturgy music and their thoughtful approach to faith and prayer However Episcopalians are less famous for their willingness to talk about their faith and their experience of God In this volume a group of leading Episcopalians share moments of deep spiritual intimacy When did they sense the presence of God How did they experience the presence of God What is prayer like How do they pray What is it like to walk each day with Jesus How seriously do they take the promptings of the Holy Spirit How does the transcendent feel in their lives How does the transcendent show up in their daily lives This is a unique book that invites the reader to also start sharing their own sense of God with others *Being the Teaching of Advaita a Basic Introduction* , **Application of The Perfect Redemption Plan: Volume 1** Gerry Malanda, The reason we did the series of the Redemptive names of God and the application of those names is because we believe according to the scriptures that if Jesus had to do it again He would add nothing to it because it was perfect God wants us to see ourselves in the light of that revelation that we should purpose in our heart to become perfect as our Lord Jesus is Perfect The aim of these studies is that people around us will be able to see Jesus through us and the works of Jesus through us All we do in the Kingdom of God is to demonstrate the love of God to the people around us **Holy Wells** Brendan O'Malley, 2014-06-03 Pilgrimages to holy wells were common in medieval Christendom and are becoming increasingly popular today This resource offers a wide variety of prayers and simple liturgies for use at holy wells an introduction to their history and significance and a guide with GPS references to the principal sites in England Wales and Scotland
