Graham Standish,2010-07-05 Vibrant worship services argues creative and provocative author Graham Standish are those in which the congregation obviously asks questions such as Does our worship help people experience God Does our worship open people to the presence of Christ Does our worship encourage people to become available to the Holy Spirit Unfortunately he observes too many worship services are perfunctory suggesting that most churches don t think much about how to connect people with God In God s Presence makes the case that congregations must restore intentionality and authenticity to worship in a way that will open people to the Holy Intentionality he says reflects a deep understanding of what tradition has attempted to do what contemporary people are hungry for what is going on in our culture and how to connect the three Standish advocates what he calls an integrated approach to worship one that maintains the distinctiveness of each element of worship as a counterpoint to other elements He first explores the problem of worship in the current church Then he looks at ways to reconceive worship with an emphasis on restoring the Holy to worship Finally he looks at ways to lead a congregation to consider new ways of worshipping This book is about how to open people to an encounter with the Holy in worship how to follow God in this pursuit and how to lead those who have no interest in the Holy Isaac Shaul Bar,2020-01-09 Throughout his life Isaac remained a passive tent dweller He did not go to find a wife his servant brought a wife to him He did not go to war and when conflict arose he withdrew In the story of his binding he was passive and it appears as though he was bound forever on the altar Isaac was dominated by his father Abraham his wife Rebecca Abimelech king of Gerar and his sons Jacob and Esau For most of his life he is led by others and his actions are reactions to the developing situations He appears to have little personality and is better known as the son of his father Abraham or the father of his sons Jacob and Esau **God's Formula for Success and Prosperity** Oral Roberts,2018-12-01 Here are eleven
