Wnuk, 2009-07-02 Meditation is the result of departing from and returning to Christianity It is about tasting again the salt of Jesus teachings and rejoicing in imitating him in our eternal life which for us christians begins down here on earth and will continue on in heaven The Catholic Church which I served as an altar boy from the age of 6 to the age of 18 made me a legalistic robot with little or no free will I was engulfed in guilt and despair that I will never amount to anything good spiritually One day I quit trying to become a good catholic and went on a journey of discovery of other more attractive religions only to find along the way that Jesus is the way **A Man's Guide to the Spiritual Disciplines** Patrick Morley, 2008-09-01 Spiritual disciplines are to the believer what medical school is to the doctor A man came up to me at a conference where I was speaking and said Pat do me a favor Tell me how to be good I already know how bad I am That statement captures the intent of this book and the purpose of the spiritual disciplines Spiritual strength like surgical skill or athletic excellence requires training and practice To become the kind of man who walks with God and wields Christ s influence in your world you ll want to begin a consistent regimen of spiritual exercises In A Man s Guide to the Spiritual Disciplines Patrick Morley highlights twelve habits that will strengthen your walk with Christ including Experiencing God in creation Letting the Bible change your life Learning the power of prayer Grasping God s greatness through worship Gaining strength through Sabbath Thriving because of fellowship Succeeding through wise counsel And more By presenting each discipline with a concise overview several examples and application ideas to get you going this powerful guidebook will help you develop the maturity every man of God was designed to reflect **A Testimony-Driven Life** Astra Williams Brantley, PsyD, 2020-08-11 A Testimony Driven Life Biblical Stewardship Living Discipling Disciplers of Disciplers in an Adversity Centered World Our hearts weep with Christ and pray with Him in intercession for the saints for they are not mission ready Our hearts are grieved to agony with the Holy Spirit because not every Christian is equipped to disciple disciplers of disciplers The testimony of God the Father Who is Jesus Christ and the testimony of God the Holy Spirit Who testifies only of Jesus are not faithfully reflected in the word of our testimony So how do we inspire each and every Christian to learn submit commit to sharing their own testimony at all times in all places to encourage other Christians as well as to cause others to

come to Christ How can we inspire God s people to DO THE TRUTH John 3 21 When God does a work in us or through us then we should give Him the glory by sharing of our personal testimony As spiritual beings commissioned to live out a physical existence in an adversity centered world God expects much fruit that is for us to do just as Jesus did go and make steadfast disciples capable of making disciples This is the WHAT of our obedience Our HOW is to depend on the Holy Spirit as we learn to live love serve like Christ our biblical stewardship living WHY Starting with our singular purpose a testimony driven life that pleases and glorifies God we know what will be the result discipling disciplers of disciplers but we need to understand that biblical stewardship living is HOW we get it done

Olukoya, Life changing encounter with the God that answers by fire through a daily devotional Its enriching and edifying Start your day right with God **The Battle of The Sexes: It's Been Downhill Since The Garden** H.R. Boaz,2021-05-08 The Battle of the Sexes explores how the Word of God YHWH both the Old Testament and the New Testament has been twisted to support a narrative that is not in the Scriptures Traditional translations and teachings of the Bible have either presumed or assumed that men are given power and dominion over women But nowhere in the Bible is this statement made not even in Genesis Bereishis 3 16 And your husband will rule over you which is not spoken as an imperative but rather as a prophecy The original Hebrew language of the first five books of Moses also known as the Torah Old Testament tells a very different story of the primal couple A story that is contrary to what is often taught in all religions that use the Word of YHWH as their foundation namely Judaism Christianity and Islam With an abbreviated overview of human history as told from YHWH s point of view we discover a connection of how all cultures have come to share similar myths legends and stories with the Torah And how these ancient archetypes of good and evil have been misused to support a psychological and socio political advantage of men over women Likewise a brief foray into the unique Hebrew language the ancient language in which YHWH created our world and dictated the Torah to Moses provides proof that the Word of God is indeed communication from another dimension Like a massive encrypted message the Torah includes multiple levels of God given fences that protect the Word of God from man s distorted perspective The Hebrew language itself provides the most significant fence Like no other language each Hebrew word defines itself by the letters that make up the word This is only one feature of the holy text that assures that the instructions of YHWH remain intact regardless of man s interpretations The Battle of the Sexes is an examination from a fresh viewpoint into the issues that arise between the genders which stem from the original disobedience of God s one instruction by the primal couple in the Garden of Eden Gan Eden We see a more complete perspective of who did what in the initial defiance and how we continue to struggle in the female male relationship with those very same issues first raised in Gan Eden Moreover with clarity the Hebrew language reveals a much greater significance of the female to the human experience than is typically taught in any religion Exposed in her Hebrew name which is not usually translated properly is her irrefutable role in God s plan of salvation for the human race God did not make women subservient to men and YHWH did not give men or women dominion over anything but the animals and the earth to utilize as God intends Humanity is to work together not to manipulate or fight to assume power over one another Nowhere is this idea more consequential than in the marriage relationship Being the preeminent human relationship YHWH presents marriage as the foundation for all other human relationships from Bereishis the beginning creation of our world and the human creature Undergirding the arrogant impudent presumption that men are to rule over women is the equally destructive fallacy that God is masculine The Battle of

the Sexes explores how from the initial verses and chapters of the first book of Torah the book of Genesis we begin to understand how as the Jewish Sages say with the change of one letter the world is destroyed With the misinterpretation and misunderstanding of one Hebrew word adam our modern grasp of the essence of YHWH and the female male relationship as described in Torah has been distorted and all but destroyed The Battle of the Sexes is sure to not only answer but raise many questions regarding the female male relationship as well as humanities relationship with God Moms Raising Sons to Be Men Rhonda Stoppe,2023-03-07 You will be encouraged enlightened and empowered to become the mom you ve always wanted to be and to guide your son into becoming the man God intended Cindi McMenamin national speaker and author of When Women Walk Alone Bringing up boys isn t for the faint of heart but bestselling author Rhonda Stoppe has been there before and she s here to help Drawing on insights from fellow boy moms and from Scripture Rhonda reveals why walking with Christ is every mom s key to parenting well You ll discover how motherhood gives you unique opportunities to grow in faith as you draw nearer to God through prayer Bible study and mentorship from godly women You ll also find practical advice for shaping your son in character and faith as you encourage his passions teach him biblical masculinity and protect his spirit without smothering his individuality Your success as a mother doesn t depend on what your son does with his life but on how you obey God s guidance on this mission of motherhood Moms Raising Sons to Be Men provides the biblical hope wisdom and encouragement you need to help your son live a life without regrets *The Passion-Driven Sermon* James Shaddix,Jim Shaddix,2003 Author gives special attention to theological subjects such as the nature of revelation the role of persuasion and the effectual work of God s Word **New Sexual Agendas** Lynne Segal,2015-12-22 New Sexual Agendas tackles the urgent practical and theoretical challenges in the area of gender and sexuality Leading theorists activists and clinicians including Bob Connell Adam Sinfield Leonore Tiefer and Jeffrey Weeks encourage a creative exchange of knowledge across different research and applied perspectives This volume highlights the intensity of the feelings generated by the changes occurring in sexual and gender relations while signalling the possibilities for new strategies encompassing diversity and choice *Religion and Men's Violence Against Women* Andy J.
