of the Holy Bible Vol. 2 Felix Wantang, 2023-03-08 Life is about the choices we make it explains why God made salvation a choice For God so loved the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life John 3 16 The choices we make in life define who we are shapes our path and leads to our ultimate destination in life Have you ever looked in the mirror and asked yourself these three simple questions 1 What are the choices that govern my life 2 Am I on the right path 3 What is my final destination in my life If you can successfully answer these questions with absolute trust in Jesus Christ then you know you have made the right choices in your life On the other hand if you can t answer these questions with Jesus Christ in the equation then you know your life is on the wrong path The truth is part of what makes life very challenging and unpredictable is the fact that you cannot change the past but you can change the path to your future God gives us only one day at a time today is a gift and that s all you have Tomorrow is not guaranteed and today may be your last day on earth This book will help you understand God through Jesus Christ like never before and also help you make the right choices for a better future The kingdom of God should be your number priority and ultimate destination in life Jesus is coming soon **God's Divine Plan for Humanity - Vol. 1** Felix Wantang, 2023-01-31 This book

is Volume 1 of God s Divine Plan for Humanity series You are a very important part of God s divine plan for humanity God wants to draw you closer to him and bring you to that place where you reach the full potential of your life far beyond your imaginable dreams When you read this book you will never look at your life and the world the same again you will start to see the world and understand the Bible better than ever before This book will take you to God s creative library step by step to unveil the mysteries of God s plan for humanity using the language of heaven The knowledge you gather from this book will draw you closer to God just like Abraham Isaac Jacob Joseph Moses David and Joshua all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life Jesus Christ When you look at the world do you believe there is something seriously wrong with the whole system Do you believe there is something not natural that for some inexplicable reason is holding humanity hostage You can analyze it from all political angles but the truth is the

world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates you will remain a slave to the system The Bible teaches in Psalm 24 1 2 that God owns the world and everything in it If God owns it all then he is in absolute control and God has the tools to set you free from the satanic forces of this sinful world The battles we face in this world are not natural Any attempt to use natural weapons to fight these battles is a big mistake you cannot use natural weapons to fight a supernatural battle When you believe the enemy and look at life through the eyes of the enemy you become engulfed and enslaved by the enemy but when you believe in Jesus and look at life through the eyes of Jesus you will ultimately become united to Jesus In life what you believe determines what you see The battle is in your mind The choice is yours In this world you will have trouble But take heart I have overcome the world John 16 33 **Rightly Dividing the**

Systematic Theology: Volume I - The Doctrine of God  
 Augustus Hopkins Strong, 2017-04-09 The opening book in this three volume set it focuses exclusively on the person of God Within the grounds of this work are the person of God the authority of scripture and the works of God in our world These topics are becoming more relevant today as people are constantly questioning the person of the Father **The Anatomy of Book of Mormon Theology, Volume One** Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions Each concerns a different part of the defense of the claim that theology is and ought to be particularly important for Book of Mormon studies In this first volume Spencer gathers early essays in which he gestures toward theological interpretation without knowing how to defend it essays about why theology is important to Book of Mormon scholarship and how to ensure that it does not overstep its boundaries and essays that do theological work on the Book of Mormon in relatively obvious ways or with relatively traditional topics The last category of essays divides into two subcategories essays specifically on the central theological question of Jesus Christ's atonement as the Book of Mormon understands it and essays on a variety of traditional theological topics again as the Book of Mormon understands them

Semanatorul (The Sower), Volume One, Number Two Hamilton Moore, Ilie Soritau, Adrian Giorgiov, 2019-02-19 About the Theology Journal This is the second issue of Volume 1 of Semanatorul The Sower The Emanuel Journal of Ministry and Biblical Research It contains the proceedings of the Bi Annual International Theological Conference This was held in Emanuel University Oradea in November 2016 The title of the Conference was Aspects of Missiological and Theological Thought Challenges in the Twenty First Century The papers presented include some given in person by various colleagues of the Emanuel Faculty others were given via Skype or by invitation We are grateful for the commitment of members of the Emanuel faculty the collaboration of Emanuel University Press the Emanuel Ethics and Society Research Centre We are also grateful for the contribution of distinguished colleagues from the Irish Baptist College and the Southern Baptist Theological Seminary This second issue includes a range of papers on Aspects of Mission and Theological thought The Journal opens with a paper on modern definitions of mission and a focus on Paul as a missionary apostle It discusses his motivation strategy and the mission churches he founded in Ephesus and Crete The paper on the Eucharist in Romanian perspective reminds us that the celebration of the Lord's Supper is memorial in character It brings blessing through comprehending the risen Christ by faith It also provides an opportunity for a visible act of proclamation of the Lord's death Theology Journal Papers Other papers in the theology journal focus upon Andrew Fuller Secretary of the Baptist Missionary Society in 1792 His theological perspective made such an impact on missionary thinking in the nineteenth century The life

and work of Rodger Williams is examined until his work on Rhode Island One paper considers Alexander Carson's use of the theme of the atonement as an apologetic tool The essence of Carson's argument is that the uniqueness of the Gospel with its focus on the atonement could never have been worked out by the human mind demonstrates the truth of God's existence There are further papers on Melchizedek with a particular emphasis of his relation to the pre-existent Christ Plus a study of the doxologies of 1 Timothy setting out Paul's various reasons for including them in his letter They would challenge the heretical teachings in Ephesus and particularly provide the believers with a true understanding of the only true God Moreover they would deeply influence their lives and lead them to witness and truly worship him A further paper on the centrifugal and centripetal aspects of mission presents us with a challenge for reaching this generation I hope the Proceedings Papers on Mission and Theology will challenge all who read them Of course it should be understood that the views presented remain those of the contributors Hamilton Moore Editor

**The Holy Bible, Containing the Old and New Testaments ...**, 1856 **Solving the Samaritan Riddle** Kermit Zarley, 2015-09-23 This book attempts to solve the Samaritan riddle that is the focal point of the Dunn Debate Dr James D G Dunn's first book *Baptism in the Holy Spirit* 1970 claims the New Testament says baptism in the Holy Spirit always occurs simultaneously at conversion initiation In contrast classical Pentecostals contend that Spirit baptism always occurs subsequent to conversion and is evidenced by tongues speaking They mostly cite Acts 8:4-25 for subsequence It says Philip preached to the Samaritans and they believed but they did not receive the Spirit until Peter and John came days later and laid hands on them Dunn says these Samaritans and Jesus' 120 Jewish disciples in Acts 2 were not Christians until they were baptized with the Holy Spirit Zarley agrees with Pentecostals about subsequence in both cases But he claims these Samaritans and the Gentiles in Acts 10 were Spirit baptized due to Peter's presence using his metaphorical keys of the kingdom Jesus had promised to give him in Matt 16:19 After Peter opened kingdom doors for all three of these biblical classifications of people all people afterwards are Spirit baptized simultaneously upon conversion as Paul teaches and Dunn says except for the Ephesians anomaly in Acts 19:1-7

**I Am Who I Am... AND Who God Says I Am** RSF Garrison, 2024-09-09 This is a story of a mother's love for her son and basically how far a mother will go for that son during troubled times and still love him and support him through it all never to condemn but to forgive not excuse and still love him

It is also about the love that her son had for his mom and being sorry for his mistake in life and letting her and his loved ones down and I think we all make mistakes for which we are sorry I would like to think of it as a lovely presentation of my real son but I also hope that things are learned about the terrifying world he lived in that fortunately most people don't experience and have no knowledge of what goes on I believe he faced it with great strength simply because of his faith and trust in God to get him through There is no point or agenda just our story      **The Holy Bible** Adam Clarke,1832
