**Whose Little Girl Are You (God's Little Girl)** Lori May Dill, 2009-04-14 This is a true journey of a little girl who did not know where she belonged She is a survivor of many types of abuse She grew up to be a well adjusted adult only by the Grace of God The title of this book came about by what this little girl went through Her grandfather used to say to the children Who's little girl or boy are you She now knows where she belongs She belongs to God The cover was the result of a vision this little girl had when she was going through a very rough time in her life with her son The vision is of the little girl as an infant in Jesus arms and Jesus taking her hand as an adult Jesus was letting her know that He had been with her throughout her life and that He will never leave her alone Jesus will always be there in whatever she is going through or what she might go through later in her life Jesus is her one and only savior from the trials and tribulations she will go through in her life's journey I pray that you will be blessed in reading this true life's journey of this little girl who finally found out where she belonged

**The Church of God** Hassell, Cushing B., 2015-03-09 During the eighteen centuries that have elapsed since the close of the Scripture canon not a single statement of the written word of God has been disproved by any human discovery All the attempts of scoffers and critics and historians and scientists and philosophers to throw discredit upon the inspired volume have only rebounded upon themselves and illustrated the impiety virulence ignorance shallowness and conceitedness of their authors Next after the assaults of the first three centuries upon the Christian Church the most vigorous learned and persistent efforts to undermine the religion of the Bible have been made by some votaries of 1 Criticism 2 Science and 3 Philosophy during the last hundred years Led on by the enmity of the unrenewed and unspiritual mind against God and by the strategy of the prince of the power of the air these assailants of divine revelation have left the solid ground work of facts and pretentiously soared into the aerial regions of speculation and conjecture and by the ordination of the Most High they have become so bereft of that common sense or reason which they idolize as to suppose themselves able by their unsubstantial gossamer theories to overturn the everlasting foundations of the Zion of our God This book tells the history of the Church of God

throughout the book and the transcription of sermons help to further reify the worship scenes that Dorgan describes. At times Dorgan's prose is intensely personal. Dorgan is always aware that he is writing about sets of shared values and worship practices that mean a great deal to the congregations he is studying and Dorgan treats his subjects and their beliefs with tremendous sensitivity and respect. Ultimately Dorgan is writing about people and the ways in which they invest their lives with meaning and purpose. This imbues *Giving Glory to God in Appalachia* with a universal appeal even readers who find the religious settings in the book completely alien will be able to sympathize with the congregations' search for meaning.

**To God Be the Glory** Margaret Lovick, 2011 This book will bless you. Challenge you and convince you that we serve a great God who still

answers prayers Dare to believe Him From Genesis to Revelation God's Word literally screams at us to remember remember and remember When I would tell about experiences we had in Africa people would say please tell us more So God began to deal with me He told me to write it down In fact He said write a book So I trust this book will stir your heart If you are a Christian I hope it will cause you to remember the deliverance and miracles God did for you If you are not a Christian I trust you will accept Jesus as Lord of your life Just say Jesus come into my heart Forgive me of my sins I believe you died for me I accept you as my Lord and Savior He will come into your heart and make you His child Then begin to trust Him He'll fight your battles and you will be surprised at the wonderful things he has in store for you For He is the same yesterday today and forever Hebrew 13:8 Moses said to the people to remember the day in which you came out of Egypt out of the house of bondage for by the strength of God's hand the Lord brought you out Guard these memories Keep them fresh in your hearts You are to remember what God did for you in the past Do you have a problem in your home in your work or in your family The only way to face a giant is to do what David did Remember the lion and the bear David could only face Goliath without fear by remembering God's faithfulness to him when he killed the lion and the bear I kept my father's sheep and there came a lion and a bear who stole a lamb out of the flock I slew both the lion and the bear and this uncircumcised Philistine shall be as one of them 1 Sam 17:34-36 I am sure this is what David testified to Saul David knew the danger he was facing but he remembered his past and he looked Goliath in the face and said The Lord that delivered me out of the paw of the lion and the bear He will deliver me out of the hand of this Philistine 1 Sam 17:37 You might say that was luck No I would say it was God guiding that stone I would say it was a miracle I can see Goliath standing with all his armor on but God knew exactly where that stone would land Hallelujah So keep telling your deliverance and miracles to your children It will build your faith every time you tell it and it will build their faith Why do you think there is not much faith in the world today Because we have failed to remember the deliverances and miracles God has brought us through Remember don't let your generation forget To God be the Glory

*The Existence and Attributes of God, Volume 7 of 50 Greatest Christian Classics, 2 Volumes in 1* Stephen Charnock, 2008-09 The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock 1628-1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God's attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It

is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God s existence and attributes Charnock displays God s attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more
