**A Still More Excellent Way** Joseph Durepos, 2010-06 In 1 Corinthians 12:31 St Paul exhorts the early Christians in Corinth to follow a still more excellent way The way he is speaking of is love genuine selfless love For Paul the ultimate meaning and perfect example of this love is found solely in the crucified risen and reigning Christ With unwavering devotion Paul's post conversion life was focused on one goal to point people to Jesus so they too could experience the unsurpassed joy that Paul himself had come to know through his Lord A Still More Excellent Way encourages and inspires readers through fifty two brief selections from Paul's writings Each Scripture selection short enough to be easily memorized is followed by a story or meditation that supports the verses And although the apostle Paul evangelized in the first century Roman world author Joseph Durepos uses plenty of twenty first century cultural references to make the material highly relevant for people today Equally appropriate for personal reflection or small group study A Still More Excellent Way is an excellent opportunity
