Rare Treasure of Destiny Stan Conely, Tommie Howard, 2013-02-26 No one can argue that our world is not in crisis Most anyone could easily provide a laundry list of defective traits and characteristics within any community to prove this point But identifying problems is a far cry from solving them and the sheer volume of opinions and ideas concerning how to fix or even improve our global woes have left far too many people confused and disheartened in their search for answers *Rare Treasure of Destiny* is the much anticipated first installment of the inspirational series *Medication for the Nations* where the brilliantly convincing case is made that Jesus Himself offers some of the most dynamic and practical anecdotes for society s problems in a very unique biblical passage found in the book of Revelation By carefully exploring this text of seven diverse church communities Christian theologians Stan Conely and Tommie Howard creatively show how Christ s assessment of these congregations can be used to assist us with correcting age old ills of the human condition with spiritual measures Providing a refreshing injection of confidence for all who seek to exist beyond spiritual mediocrity this series will inspire and cultivate a strong intimate service centered relationship with the Creator *Divide And Conquer - The Mystery Revealed* B. L. Knepper, 2014-08-21 *Divide And Conquer* is a study in rightly dividing the word of truth II Timothy 2 15 The study demonstrates the diametric opposition between the Law program that the Nation of Israel entered into with God and God s response to her generations of rebellion to the benefit of all mankind who choose surrendering faith over their own works of righteousness for salvation There is only futility and confusion that believers suffer from when they try to apply the program and promises from a different people to their lives What an unfortunate blow to one s faith it is to feel as though God is not answering their prayers to feel like they cannot understand the Bible and to feel like something is wrong with them But most

damaging is that the love they may have had for the Holy Scriptures at one time diminishes as they struggle from a weak understanding God Himself fully intends that the excellency of His power work in our inner man through the right understanding of His Word **Becoming a Follower of Jesus** Pastor Jim Kirkland,2015-11-11 Are you living a weak Christian life Are you tired of saying prayers that go unanswered Have you failed to read and apply the book that God wrote finding it hard to get the points being made in Scripture In *Becoming a Follower of Jesus* author Pastor Jim Kirkland provides a Scripture fueled guide to true discipleship and how to become a genuine follower of Jesus Christ Based on his own personal transformation Kirkland helps you gain the knowledge and motivation to walk the walk that you talk in a new and powerful way He explains how to become a true disciple from the inside out pray powerfully and effectively study and apply Scripture to daily living and manage money and possessions like a disciple *Becoming a Follower of Jesus* launches Christians on a journey to grow as true disciples learning to live pray study and manage for Christ This new walk with Jesus will become more personal and will change your life forever **Poetic Confessions of a Winner!: Becoming a Winner before Winning**

Mark Russell,2018-10-25 Being a winner has nothing to do with personal achievements accomplishments titles or some superior status of living You can have all these things and still be a failure at life unhappy and unfulfilled This book inspires the discovery of the created winners we already are The revelation of biblical scriptures the enlightening thoughts and inspiring poetry all promote volumes of encouragement to uplift your thinking We must realize and awaken ourselves to the truth that true happiness *Counseling the Hard Cases* Stuart Scott,Heath Lambert,2012 Real life stories from the counseling and medical field about the sufficiency of God s resources in Scripture to bring help hope and healing to difficult psychiatric diagnoses from bipolar and obsessive compulsive disorders to postpartum depression panic attacks etc

Question Everything! - Your Soul Depends On It B. L. Knepper,2014-05-31 *Question Everything* was written for everyone who has ever heard something in their religious teaching that did not seem quite right ever had some questions about the Biblical basis for their church s traditions and are wondering if there might be straight forward answers to what may have been bothering them for many years It is a great step of courage and risk to challenge the traditions foundations and strongholds of one s faith particularly when that faith has been handed down from generation to generation but it is risk with the significant reward of peace and confidence that can only be obtained through God s Word The reader should be brave when comparing what they always thought with what the Bible has to say As every individual faces eternity they will not be accompanied by their ancestors their Ministers or Priests nor their best friends or loved ones their eternal destiny will be based on how they responded to God s Holy Word *Gripped by the Greatness of God* James MacDonald,2008-09-01 When was the last time you were really and truly gripped by God s greatness Most Christians recall heartfelt resolutions around a fire at bible camp as children and perhaps a revival meeting or two But what causes the fervor of those experiences to translate into a consistent life pattern Pastor and author James MacDonald believes that the better we understand God the

better we understand ourselves and the less likely we are to favor our own will over God's. He writes God is not safe and He will not be squeezed into some neat respectable Sunday discussion. No To Know God at all is to watch Him explode any box we put Him in with His terror majesty and indescribable wonder. Expounding upon Isaiah's encounters with God MacDonald prods snoozing saints to rediscover the wonder of God's attributes. He also shares candidly from his experiences in life and ministry where God proved Himself to be the Great I AM. This book will spur new and seasoned believers alike to detest mediocrity in their spiritual walks. Ideal for individual or small group study.

A bestseller since 2001, *Lord Change My Attitude Before It's Too Late* is classic James MacDonald, bold, practical and communicated in a way designed to set readers free from the negativity that erodes happiness. This new revision now includes study application questions in each chapter to help readers identify the attitudes of the heart that need change in order for God's abundance to flow. Always True James MacDonald, 2011-01-01

Follow bestselling author, speaker and pastor James MacDonald as he delivers the biblical hope of God's promises in the midst of life's storms. 2 Peter 1:3 refers to certain portions of God's Word as exceedingly great and precious promises. Great promises are ones that don't fall apart during difficult times; they reveal hope in the midst of the storm. Precious promises are ones that we find strong enough to hold us up and resilient enough to get us through. God's promises become exceedingly great and precious to us when nothing else will do. By way of digging into the theology of God's Promises, Pastor James uncovers 5 major categories of promise in the Bible and the 5 areas about which God repeatedly makes promises. From what to do with fear and doubt to God's goodness, help and victory, the Bible has much to say about God's presence in our difficulty. Last year Pastor James released *When Life is Hard* to point you toward hope in the midst of trials. Now *Always True* will point you to God's promises which are always true.

The Chosen Dwight K. Nelson, 2011 When you think of being chosen, does your mind go back to recess days on that schoolyard playground long ago when Teacher asked the two biggest boys in the class to choose up teams? Remember how the rest of you lined up dutifully waiting for your name to be called? And remember how you stood there nervously holding your breath, shifting your weight from one sneaker to the other, hoping against hope that this time you'd be chosen? Good news: You have been chosen. Maybe not for the starting lineup on your school's basketball team or for the next promotion at work. But your calling is much more extraordinary. For you are a chosen people, a people belonging to God that you may declare the praises of him who called you out of darkness into his wonderful light. 1 Peter 2:9 NIV. Who is this God who has chosen you? Why have you been chosen? And how are the chosen to live? Join Dwight K. Nelson in an experience with God that will revolutionize your life as you stand where the chosen of old once stood on the brink of the Promised Land.

Finding Hope in Times of Grief Preston Parrish, Glenda Parrish, 2011-03-01 Preston and Glenda Parrish experienced the sudden death of their 25-year-old son Nathan in the same week that Preston's father died. In *Finding Hope in Times of Grief*, the Parrishes candidly share their story and the struggles they faced, as well as how they found hope in Christ and in the pages of the Bible. Writing not from theory but from experience, the Parrishes come alongside others who grieve, pointing them to God's all-sufficient grace—grace that is great enough to infuse even their worst moments with His comfort. This book will help those who grieve to know God's presence and peace in the midst of their suffering, realize that hope still exists, and can be known; understand that their suffering can assume a place of purpose in their life and in the lives of others. *Finding Hope in Times of Grief* points readers to the surpassing hope we have in Christ and the comfort that comes ultimately from God Himself. This book will also help family members and friends better understand how to support those who grieve.

Healing the Past God's Way Carol Jenkins, 2004-08 At age 17 I was raped. By 27 I lived in despair, thinking the only way to end the pain was to end my life. By the time I turned 37, my life was and now is filled with hope, joy, and peace. What happened? God met me in the center of my pain and, using the power and truth of His Word, He taught me who I am in Jesus and who He is. In His character, I found the perspective and possibility I needed to learn to live with my pain and to use it for His glory, blessing others and growing my faith.
