## **God And Missions Today:**

**God and Missions Today** Arthur Pierson, 2014-12-23 THE ANNALS both of ancient Israel and of the modern Church record mingled success and failure Our instincts tell us that success must be the consequence and crown of conformity to the pattern showed us in the mount and failure the result of departure from the divine standard Some displacing of the pure and perfect type of doctrine and method prescribed in the Word of GOD may account for the withholding of blessing and for defeat and disaster in our missionary work We have need perhaps to begin again and lay anew the basis of missionary enterprise or if we find the former foundation firm and sound we may need at least to see whether on that foundation we have been building gold silver precious stones or wood hay stubble Possibly into the structure of our mission work some errors have been built which are serious if not radical To get GOD s own conception of missions informed and infixed in our minds our hearts and our practical methods might lead to the partial and even total revolution of our present mission work I have given myself Bible in hand to a careful prayerful study of this theme seeking to be rid of all bias either of prejudice or prepossession and to be led into all truth And as the studies which for more than a year were largely limited to this one subject have rent the veil from much that was hitherto hidden or at best obscure to my own mind it will not be strange if some things which found utterance may strike other minds as new and even as untrue The writer ventures to ask the confidence of his indulgent readers and on their part also patient study of the principles laid down Let there be applied to them not the test of human authority or opinion merely but the touchstone of the Word of GOD and of His manifest working in the history of missions Human tradition is a dangerous ally of the Bible for too often it makes the Word of God of none effect At first only a vassal it becomes a consort and finally a sovereign usurping all authority And as Luther found it necessary to question even the venerable traditions of the elders and separate the infallible Scriptures from all the chaff and alloy of mere human teaching it behooves us to pray for grace to go back to the very beginning and inquire of the Master Himself what are the eternal and immutable principles of mission work ARTHUR T PIERSON *God and Missions Today* Arthur Tappan Pierson, 1955 Introducing Christian Mission Today Michael W. Goheen, 2014-07-14 Michael Goheen gives us a full scale introduction to mission studies today in its biblical theological and historical dimensions Goheen covers the full horizon of major issues in mission including its global urban and holistic contexts This text shows how the missional church encounters the pluralism of Western culture and global religions **The State of Missiology Today** Charles E. Van Engen, 2016-10-02 The 2015 Missiology Lectures at Fuller Theological Seminary marked the fiftieth anniversary of the School of Intercultural Studies The papers from that conference explore the developments and transformations in the study and practice of mission as contributors chart the current shape of mission studies and its prospects in the twenty first century Prophetic Dialogue: Reflections on Christian Mission Today Stephen B. Bevans and Roger P. Schroeder, 2011 In this volume Fathers Bevans and Schroeder address a primary challenge faced by Christians missionaries today How can they bring

the Christian tradition to interact respectfully and effectively with members of other cultures and traditions from around the globe and still be prophetic Publisher website Eastern Orthodox Mission Theology Today James J. Stamoolis, 2001-11-02

The purpose of the ASM Series is to publish without regard for disciplinary national or denominational boundaries scholarly works of high quality and wide interest on missiological themes from the entire spectrum of scholarly pursuits e.g. theology history anthropology sociology linguistics health education art political science economics and development to articulate but a partial list Always the focus will be on Christian mission By mission in this context is meant a cross cultural passage over the boundary between faith in Jesus Christ and its absence In this understanding of mission the basic functions of Christian proclamation dialogue witness service fellowship worship and nurture are of special concern How does the transition from one cultural context to another influence the shape and interaction of these dynamic functions Missiologists know that they need the other disciplines And other disciplines we dare to suggest need missiology perhaps more than they sometimes realize Neither the insider's nor the outsider's view is complete in itself The world Christian mission has through two millennia amassed a rich and well documented body of experience to share with other disciplines Interaction will be the hallmark of this Series It desires to be a channel for talking to one another instead of about one another Secular scholars and church related missiologists have too long engaged in a sterile venting of feelings about one another often lacking in full evidence Ignorance of and indifference to one another's work has been no less harmful to good scholarship The promotion of scholarly dialogue among missiologists may at times involve the publication of views and positions that other missiologists cannot accept and with which members of the Editorial Committee do not agree The manuscripts published reflect the opinions of their authors and are not meant to represent the position of the American Society of Missiology or the Editorial Committee of the ASM Series We express our warm thanks to various mission agencies whose financial contributions enabled leaders of vision in the ASM to launch this new venture The future of the ASM series will we feel sure fully justify their confidence and support William J. Danker Chairperson ASM Series Editorial Committee **Fill the Earth** Matthew Newkirk, 2020-03-09 Why does the church engage in missions Where in the Bible do we find support for this work These questions have been asked and answered by many throughout the centuries though rarely does the investigation span across the entire canon of Scripture In this study Newkirk explores the breadth and depth of biblical teaching concerning God's mission for his people and the church's call to spread the gospel to the ends of the earth By beginning with creation and ending with new creation this study reveals that rather than simply deriving from a few missions verses the church's call to missions is grounded in the full spectrum of biblical revelation **Today's All-Star Missions Churches** Tom Telford, Lois Shaw, 2001-10 A helpful collection of studies on churches with strong and innovative missions programs Missions Howard Benjamin Grose, 1924 *Cultural Integration and the Gospel in Vietnamese Mission Theology* Kim Son Nguyen, 2019-11-14 Postcolonial Vietnam has an urgent need for contextualized theology of mission God Christ and the church that is rooted in

indigenous cultural traditions and the dual Vietnamese spirit of resistance and assimilation Dr KimSon Nguyen navigates the religio cultural dimensions of Vietnamese spirituality and Daoism that have hindered the assimilation of the Christian faith in the Vietnamese context and explores a fresh approach to missiology in Vietnam Dr Nguyen draws upon his deep knowledge of Vietnamese evangelical history to analyze contextualization and mission theology in Vietnam He proposes an evangelical theology of God as a way the centrality of the Vietnamese home as the house of the Lord and ancestor veneration as a theological framework for an indigenous theology of the family Narrowing the gap between culturally removed evangelical missionary practice and widespread syncretistic spirituality in Vietnam Nguyen calls for a paradigm shift in Vietnamese mission theology that is both robustly evangelical and authentically Vietnamese **Missions Now** Roger S. Greenway,1990

*Trinitarian Doctrine for Today's Mission* Lesslie Newbigin,2006-10-23 Trinitarian Doctrine for Today's Mission This stimulating little book introduces some of the issues involved in mission in the twentieth century Newbigin discusses missions from an ecumenical perspective before considering the limits of ecumenicity and the need for truth He considers that the present situation of the missionary movement has brought the question of the uniqueness and finality of Christ into sharp focus This question he argues and the question of the relation of what God is doing in the mission of the Church and in the secular events of history will only be answered correctly in the framework of a fully and explicitly trinitarian doctrine of God With an introduction by Eleanor Jackson Mission as God's Spiral of Renewal R. Ross,2019-02-06 In this remarkable volume covering diverse subjects in a span of three decades Kenneth R Ross articulates his views on the meaning and practice of Christian mission and challenges the binary view of mission that prevailed before the 1950s He further reflects on Scotland's experiences in the world wide Christian mission and demonstrates the centrality of Africa in any discourse on Christianity This volume is invaluable in its argument for a rethinking of Christian mission especially in relation to the West which is now a new frontier for Christian mission The book will be immensely beneficial to students of missiology and general readers who are interested in the subject of Christian Mission Encountering Theology of Mission Craig Ott,Stephen J. Strauss,Timothy C. Tennent,A. **Reading the Bible After Christendom** Lloyd Pietersen,2011-04-01 Pietersen argues that for too long the Old Testament has been the primary source for Christian ethics and the letters of Paul for Christian discipleship Without disparaging these sources the author suggests that the church in a postmodern post Christian society needs to look at Scripture with a different focus This book seeks to examine what reading the Bible might look like in the current period when the church is no longer central and the Christian story is not well known This is a provocative and refreshing exploration of the possibilities inherent i 1 5Cn reading Scripture from the margins rather than from within the compromised and rapidly receding structures of Christendom A worthy addition to the challenging After Christendom series Lloyd Pietersen s thoughtful work moves the discussion forward in ways that are at times controversial at other times stretching but at all times constructive Highly recommended Brian Harris Principal Vose Seminary Perth Australia

Foretaste of the Future Dean Flemming,2022-08-23 For many Christians the book of Revelation is a confusing coded screenplay for the end times But when we read Revelation as focused on the future we miss what it says about what God is doing in the world now Dean Flemming mines this untapped resource by introducing a missional reading that draws on a variety of cultural perspectives

**Christological Paradigm Shifts in Prophetic Pentecostalism in South Africa** Mookgo Solomon Kgatle,Marius Nel,Collium Banda,2021-09-22 This book explores recent developments in South African Pentecostalism focusing on new prophetic churches The chapters engage with a number of paradigm shifts in Christology identified as complementing Christ competing with Christ removing Christ and replacing Christ What are the implications of

these shifts Does it mean that believers no longer believe in Christ but in their leaders Does it shift believers faith towards materiality than the person of Christ This volume will be valuable for scholars of African Christianity and in particular those interested in the neo prophetic movement and Christology in a South African context
