## God I Listened:

*God, I Listened* Eula Hendrick McClaney, 1988-11-01      *How to Listen to God* Charles F. Stanley, 2002-09-01 Every day we hear dozens of outside opinions from our spouses and our family members to our coworkers and our church community but how can we shift our focus away from the clamor of other voices so we don't miss what God is trying to tell us *How to Listen to God* helps you distinguish God's voice from all the rest Bestselling author Dr Charles Stanley shares the lessons he's learned on his own journey to listening to the God who wants to communicate personally with you including How God gets your attention Four ways God speaks to you The importance of your own spiritual mindset Scriptural guidelines for recognizing God's voice The joys and fruits from listening to God Ten hindrances to hearing God Along the way you'll learn firsthand that just a few minutes of sitting before the God who speaks can transform a life refocus a mind and reset purpose and direction for eternity The sad heart is cheered the confused mind is ordered the pessimistic outlook is eliminated the lonely spirit is befriended the rebellious will is subdued and the drifting seeker is made steadfast Join Dr Stanley as he shows us that we've never been more equipped to confidently hear from God *How to Listen to God* will teach you that God's voice waits to be heard and when we've finally heard it we're launched into the greatest most exciting adventure we could ever imagine

**Does God Listen to Rap?** Curtis Allen, 2013-11-01 A lot of people think that if there is one style of music in the world that God hates it has got to be rap Some have even gone so far as to call rap An unclean thing before the Lord They don't believe something originally associated with so much evil can ever be redeemed for God's glory Lots of other people love and accept rap as their preferred form of musical expression Many of these who are Christians can't imagine why God would have any issues with rap at least not with songs by believers that encourage and edify them in the faith Who's right And maybe more importantly who cares You should And here's why In the past 30 years rap music has become a vital artistic and cultural force globally and it's showing no signs of slowing down Like it or not you are probably exposed to rap in one form or another on a fairly regular basis If you're interested in this book you may be a believer in Jesus who likes rap a lot and as Christians when we love something that is if you hadn't noticed closely associated with sin and rebellion our justification for being involved with it really does need to go beyond Dude this is good stuff But maybe you're in a different category Maybe you're a Christian parent concerned that rap music may have a negative impact on your child Maybe you're a youth pastor worried about having a rap concert at his church because of the potential pushback Or maybe you're just a rap fan who is curious to see if there's even any biblical evidence for or against rap To put it simply if you've made it this far this book is probably for you *Does God Listen to Rap* covers two areas First it presents a sociological history of the emergence and development of rap If you enjoy rap and hip hop culture you'll love this part of the book Then the book explores the Scriptures to bring some biblical not just personal or anecdotal resolution to the question of God and rap Ultimately this involves a set of larger questions involving God and the arts This is more than just an apologetic for rap music

this is a biblical way to think about how Christians can be in the world yet not of the world and how they can express themselves to the glory of God So does God listen to rap Come find out     Stop Running From God, Listen Jose Sanchez,XTRNL,2022-12-04 Life sucks feeling like God is so far away Are you tired of wondering is God real How do I know He is truly there How can I know for sure He engages in my life How is it possible to have a relationship with someone you can t see Coming across this book is no coincidence What if this is a sign and a divine opportunity for you to take your life to the next step This book will give you basic ideas on how to draw closer to the most powerful force in the universe Topics also include how to read the Bible and if He loves you The content will help you to continue to develop and to be the best version of yourself Stop wasting time and embrace this opportunity towards your next step to finally become closer to GOD     How Does God Listen?
