grow weary Following Jesus is like running a race But it s a marathon not a sprint While we prefer to live in the immediate our God is not after quick fixes His ways and his timetable are better He wants to make us like Christ and that takes a lifetime So how do we run the race with endurance In *Endure* Daniel Ritchie explores how God s people run well Within this book you will find direction and encouragement for how to trust God in every year every day and every minute You are loved by God And specific attitudes and habits will build your faith and connect you to God s love Learn how the seemingly mundane choices can be the most important for your good and God s glory God: An Anatomy Francesca Stavrakopoulou,2022-01-25 An astonishing and revelatory history that re presents God as he was originally envisioned by ancient worshippers with a distinctly male body and with superhuman powers earthly passions and a penchant for the fantastic and monstrous A rollicking journey through every aspect of Yahweh s body from top to bottom yes that too and from inside out Ms Stavrakopoulou has almost too much fun The Economist The scholarship of theology and religion teaches us that the God of the Bible was without a body only revealing himself in the Old Testament in words mysteriously uttered through his prophets and in the New Testament in the body of Christ The portrayal of God as corporeal and masculine is seen as merely metaphorical figurative or poetic But in this revelatory study Francesca Stavrakopoulou presents a vividly corporeal image of God a human shaped deity who walks and talks and weeps and laughs who eats sleeps feels and breathes and who is undeniably male Here is a portrait arrived at through the author s close examination of and research into the Bible of a god in ancient myths and rituals who was a product of a particular society at a particular time made in the image of the people who lived then shaped by their own circumstances and experience of the world From head to toe and every part of the body in between this is a god of stunning surprise and complexity one we have never encountered before *The Catholic Magazine* ,1842 **Living Simply** Joanne Heim,2010-05-19 Quality Over Quantity Means a Great Life Whew You can multitask like a pro you prove it every day But while you re used to being pulled in multiple directions that doesn t mean you like it You yearn for something more not on your to do list but in the heart of daily living Now *Living Simply* shows you how to make this ideal life your real life today Joanne Heim s refreshing perspective and pointed guidance address specific areas you d like to transform from family and friendships to meals and celebrations This book responds to the longings of your heart not with pat answers but with practical solutions Never have such simple changes yielded such sweeping results Errands to run Friends to meet Laundry to fold Dinner to cook Messages to check Calls to make Gas tank to fill Lists to do Notes to self Bills to pay Dog to walk Appointments to make Schedules to keep Lunches to pack Party to plan Enjoy true abundance This is the book I wanted to write but was too busy simplifying my life I laughed out loud and am provoked to action Well done Joanne Lisa Ryan If you find yourself living a full life rather than simply living life to the fullest this book is for you Lisa Whelchel *Story Behind the Book* Simplicity is not just about cooking a month s worth of meals in one day or learning how to speed clean your kitchen says Joanne Heim Women long for a better quality of life but we wonder just how to

get it In Living Simply I ponder what it takes to slow down and downsize while living in a culture that supersedes everything from french fries to SUVs I want more meaning and less stuff and simplicity is a means to a better quality of life Choosing this isn't about turning my back on the world or lowering my expectations but about making wise choices and finding the abundant life promised by Jesus
