Townsend,2017-09-14 If the experiences and other answers provided in this book were accounted for in any of the many books I have read then there is a certainty that I would have been spared the agony and the loss of time and other resources due to ignorance and a misguided lifestyle The tabooed subject of demons is reserved for fiction and is considered the figment of the imagination of the people of the medieval times It is now fashionable to dismiss the subject based on ones status and the persons with whom one associates The book accounts for personal encounters with the unseen and details the painful struggles of the author to break from the grip of an orchestrated demonic spell The book declares also that the theory of evolution by its own account of the process irreversibly leads to a supreme being Disaster disease and destruction provide knowledge necessary for the eternal state and God is unwilling to let mankind enter eternity as ignoramus There are benefits to be gained from the materials of this book and I believe the experiences and thoughts shared will improve in significant ways the lot of every reader and others with whom they share these gains *Discover God's Love* David C Cook,2018-05-04 These lessons help young children talk about God and thank him for what he made celebrate God s Son Jesus and begin to follow him and practice doing what God s Word says A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year from age 3 to 12 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children s church youth group kids club and midweek Bible study programs **Square 1** Demetris Prewitt,2023-03-10 Countless academic studies Christian leaders and personal experience show a startling and disturbing fact about the church most Christians do not understand their faith Square 1 Bible Study for Christian Foundations explains clearly what the Bible teaches why Christians believe it and how to walk with Jesus The book brings foundational biblical doctrine to life through plain language thought provoking images and challenging application

questions for group discussion The purpose of the book is to provide a biblical foundation for the Christian faith worldview and lifestyle So what makes it different Everything starts with God s nature character and attributes Its pages are visually stimulating with color imagery The book does not begin assuming the reader has high biblical literacy or holds Christian worldview and is therefore laced with Christian apologetics Square 1 treats 21st century topics like identity human rights and sexuality as foundational for believers to understand their faith The book tackles end times and the new creation with unbelievable clarity Square 1 is a masterful blend of theological philosophical pastoral apologetical and biblical material At the end of this study the reader should be able to walk out the Christian life in the power of the Holy Spirit in expectation of Christ s return to the praise and glory of the Father They will also be capable of understanding explaining and defending the central claims of Christianity which is the good news of Jesus Christ Square 1 is systematic theology for anybody
